

## DISCLOSURE STATEMENT AMENDMENT

### AMENDMENT TO YOUR IRA

This IRA disclosure statement amendment updates your Individual Retirement Account (IRA) documents that we previously provided to you. The information provided below amends your disclosure statement for recent law changes resulting from the Tax Relief and Health Care Act of 2006.

Unless directed by us to do so, you do not need to sign or return anything to us for this amendment to apply to your IRA. Your beneficiary designation we have on file will remain in effect unless you change it by completing and signing the form that we have for this purpose.

We recommend that you review this information carefully and keep it with your other IRA papers.

**New Qualified HSA Funding Distribution** – If you are eligible to contribute to a health savings account (HSA), you may be eligible to take a one-time tax-free HSA funding distribution from your IRA and directly deposit it to your HSA. The amount of the qualified HSA funding distribution may not exceed the maximum HSA contribution limit in effect for the type of high deductible health plan coverage (i.e., single or family coverage) that you have at the time of the deposit, and counts toward your HSA contribution limit for that year. For further detailed information, you may wish to obtain IRS Publication 969, *Health Savings Accounts and Other Tax-Favored Health Plans*.
