

2007 JOIN HANDS DAY Teleconference

Find out how you can make your JOIN HANDS DAY activity all that it can be! Join us at this year's teleconference to:

- Gain ideas from volunteers who have held successful JOIN HANDS DAY activities, including Thrivent chapter members who were involved with national award-winning JOIN HANDS DAY activities in 2006.
- Learn effective ways to get the word out about your activity (e.g., getting the media to cover your project; inviting local officials to attend).
- Learn about tools and resources we developed to make it easy for you to generate awareness of your activity and get more people involved.
- Share your best practices from past successful JOIN HANDS DAY projects.

Instructions for dialing in and participating:

1. Dial **800-446-2782** (toll-free). You may call as early as 7:20 p.m. Central time.
2. Give the operator the confirmation number: **16827669**. Also provide your name and chapter name.
3. When asked for host and company, say **Stacy Eckes-Borys and Thrivent Financial for Lutherans**.
4. You will be placed on hold. When the teleconference begins, you'll be placed in a listen-only mode.
5. During the question-and-answer session, you will receive instructions on how to ask questions you may have.

Note: You may connect to or disconnect from the teleconference any time during the hour.

Recording available through March 27

If you cannot participate in the live teleconference, you can listen to a recording of the discussion until March 27:

1. Dial **888-843-8996** (toll-free).
2. Enter pass code number: **16827669** followed by the pound sign (#).
