Welcome to Membership

For some of us, personal finances aren't just personal—they impact more than ourselves. Loved ones. Neighbors. The communities we call home, and the causes we hold in our hearts.

At Thrivent, we help you look at your financial picture with the bigger picture in mind. Our unique combination of financial services and generosity programs unlock opportunities to make an impact where it matters most.

Thrivent is member-owned. This means when you become a member, you become part of something bigger: our collective ownership. Thrivent members share a commitment to help strengthen the communities where they live, work and worship.

After more than 120 years, we've grown to become a Fortune 500 financial organization serving 2.4 million clients nationwide who seek to make a difference with their money.

What unites Thrivent Members

Thrivent is a unique type of membership organization that is required to maintain a common bond among its membership. Thrivent's members share the common bond of Christianity. We welcome and serve all Christians.

Our service to Christians is based on three core beliefs:

- Everything we have is a gift from God.
- We are called to be good stewards of those gifts.
- Generosity is an expression of our faith.

If you share these beliefs, we invite you to join Thrivent's membership.
