Assistance. Confidence. Independence.

As we age, we hope to stay independent. But aging can present whole new sets of challenges. Sometimes a little help can make a world of difference.

As a benefit of membership in Thrivent Financial, you can get access to **Silver Brick Road**,* a free online program that brings together personalized advice, service providers, relevant information and a better way to stay connected to family and caregivers. It's designed to help you—and those you care for—feel confident and stay independent.

Enroll in this valuable membership benefit today at Thrivent.com/caregiving.

*This membership benefit is distinctly separate from any existing long-term care insurance coverage you may have, and also should not be viewed as a replacement to long-term care insurance.

Caring for a loved one? Plan to stay independent as you get older?

Silver Brick Road can help you or a loved one stay independent and confident as needs change. It provides:

- Access to qualified resources for anything from lawn care and home maintenance to skilled nursing and living options, all in your local area.
- Access to a resource library where you'll find articles and videos on a multitude of issues relating to health, aging and elder care.
- An easy way for loved ones to stay connected and communicate with one another, called Care Circle.
- Answers to questions to help you create a plan that takes into account your current situation and care needs.
- Personalized advice, through Silver Brick Road's Care Advocates, who can help you determine the best path for you or a loved one. There is a cost for the Care Advocate consultation.

It's independence with a plan. Take advantage of this free online benefit today!
