Jennifer started at Thrivent in 2014 and has been part of the Virtual Advice Team since 2018. She loves helping her clients learn and grow, as well as guiding them on the path to accomplish their goals. Her mission is to educate everyone she works with so they can build a solid future.

Outside of work, she spends much of her time running her two children, Ava (15) and Hudson (10), to basketball, volleyball, football, soccer, and track. She also enjoys traveling and volunteering in her community.
