My initial experience with Thrivent was as a beneficiary in 2012. In one of life's most challenging moments, Thrivent was there for me with compassion and guidance. In 2015, I joined the Virtual Advice Team as a Financial Professional and currently serve on the Client Engagement Specialist Team. I enjoy leading through education and helping others find solutions for their unique needs. It's rewarding to know I can help provide the same clarity and sense of direction that I received from Thrivent.

I grew up in a large Catholic family and love spending time with my sons, Terry and Caden. Terry is in the military, and Caden is finishing up college. I also have two granddaughters, Logen and Jaden.

Before coming to Thrivent, I worked in the hair industry with clients for 25 years as a salon owner. I also worked as a residential landlord, house flipper, interior painter and cleaner at Hearthstone Historic House Museum in Appleton, WI. Needless to say, I have a diverse background with a goal to make a positive difference in people's lives and to learn something new every day.
