## Important Notice: Replacement of Life Insurance or Annuities

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy, to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

Yes No

- ☐ ☐ 1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract?
- ☐ ☐ 2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract?

If you answered "Yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the contract number if available) and whether each policy will be replaced or used as a source of financing:

| Insurer name      | Contract or policy number | Replaced (R) or financing (F) |
|-------------------|---------------------------|-------------------------------|
| Insured/Annuitant |                           |                               |

| Insurer name      | Contract or policy number | Replaced (R) or financing (F) |

| Insured/Annuitant |                           |                               |

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. (If you request one, an in-force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer.) Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because:

|  |  |
|  |  |

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense.

**Premiums:**

- Are they affordable?
- Could they change?
- You're older - are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

**Policy values:**

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

**Insurability:**

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

**If you are keeping the old policy as well as the new policy:**

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

**If you are surrendering an annuity or interest sensitive life product:**

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

**Other issues to consider for all transactions:**

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

## Replacement Evaluation

### Section 1 - Client Information

Name of annuitant/insured (print first, middle, last name, and suffix, as applicable)

Name of joint annuitant/insured (print first, middle, last name, and suffix, as applicable)

### Section 2 - Comparative Information

**Replacement occurs when a new life insurance or annuity contract is purchased and an existing life insurance or annuity contract (within four months before or 13 months after the effective date of the new contract) will or may be:**

- Lapsed, forfeited, surrendered (full or partial), assigned to the replacing insurer or terminated
- Converted to reduced paid-up insurance, continued as extended term insurance or otherwise reduced in value by the use of nonforfeiture benefits or other contract values
- Amended to reduce benefits or the coverage period
- Reissued with a reduction in cash value
- Used in a "financed purchase" - A financed purchase means the purchase of a new life insurance contract involving the actual or intended use of funds obtained by the withdrawal or surrender of, or by borrowing from, values of an existing life insurance contract to pay all or part of any premium of a new life insurance contract.
- Billing/Premium cancellation or reduction

This medical or health information includes information on the diagnosis and treatment of mental illness, alcohol, drug use, and information on the diagnosis, treatment, and testing results related to HIV, AIDS, and sexually transmitted diseases, unless otherwise restricted by state law.

Any health care professional, medical facility, pharmacy, pharmacy benefit manager, mental health facility, laboratory, paramedical facility, medical examiner, medical records service, prescription history clearinghouse, other insurer, insurance broker, health plan, Your affiliate, health care component of Your company, Department of Motor Vehicles, government agency, consumer reporting agency, employer, family member and acquaintance may provide information about me, including my entire medical record, which may contain DNA or genetic testing analysis results, to You. This information may be released in any format including but not limited to paper and/or electronic format, including through a Health Information Exchange or My Provider's electronic health record system. I authorize MIB, LLC to give to You, or Your reinsurers, any records of me or my health. **By my signature below, I acknowledge that any prior agreement I have made to restrict or limit the disclosure of information about my health does not apply to this authorization.**

You may disclose information about me, including any DNA or genetic testing analysis results contained within my medical history to any insurance broker and other insurer approved by You for the purpose of securing insurance for me. You may disclose health information I provide to You to the writing agent or agency. Information about my health may be released as required or permitted by law such as to MIB, LLC to deter fraud, misrepresentation, or criminal activity, or to my indicated physician where state law requires notification. I may revoke this authorization by writing to You at the address above. I acknowledge that such revocation is not effective to the extent You previously relied on it, or You had a legal right to contest the insurance contract or a claim under the insurance contract. Failure to sign or subsequent revocation of this authorization may impair Your ability to process my application or evaluate claims and may be a basis for denying my application or claim for benefits.

## MIB Pre-Notice

Information regarding your insurability will be treated as confidential. Thrivent Financial for Lutherans (“Thrivent”), or its reinsurers may, however, make a brief report thereon to MIB, LLC, which operates an information exchange on behalf of insurance companies that are members of MIB Group Inc. If you apply to another MIB Member company for life or health insurance coverage, or a claim for benefits is submitted to such a company, MIB, upon request, will supply such company with the information in its file.

Upon receipt of a request from you, MIB will arrange disclosure of any information it may have in your file. Please contact MIB at 866-692-6901 or go to its website at [www.mib.com](http://www.mib.com) to request disclosure online. If you question the accuracy of information in MIB's file, you may contact MIB and seek a correction in accordance with the procedures set forth in the federal Fair Credit Reporting Act. The address of MIB's information office is 50 Braintree Hill Park, Suite 400 Braintree, MA 02184-8734.

Thrivent, or its reinsurers, may also release information in its file to other insurance companies to whom you may apply for life or health insurance, or to whom a claim for benefits may be submitted. Information for consumers about MIB may be obtained on its website at [www.mib.com](http://www.mib.com).

## Notice and Consent for Blood or Other Body Fluid Testing Which May Include AIDS Virus (HIV) Antibody/Antigen Testing

To determine your insurability, Thrivent Financial may request that you provide a sample of your blood and/or other body fluid for testing and analysis. Any tests requested will be performed by a licensed laboratory.

The consent you give by signing this form authorizes Thrivent Financial to collect blood and/or other body fluids and to order laboratory tests. Results of this test may be used to underwrite all applications, whether or not all applications require the test.

Unless precluded by law, tests may be performed to determine the presence of antibodies or antigens to the Human Immunodeficiency Virus (HIV), also known as the AIDS virus. The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HIV antigen test directly identifies AIDS viral particles. These tests are extremely reliable. Other tests which may be performed include determinations of blood cholesterol and related lipids (fats), screening for liver or kidney disorders, diabetes, and immune disorders.

All test results will be treated confidentially. They will be reported by the laboratory to Thrivent Financial. When necessary for business reasons in connection with insurance you have or have applied for with Thrivent Financial, Thrivent Financial may disclose test results to others involved solely in the underwriting process such as its affiliates, reinsurers, employees, or contractors. Thrivent Financial is a member of MIB, LLC, and if the test results for HIV antibodies/antigens are other than normal, Thrivent Financial will report to MIB, LLC a generic code which signifies only a non-specific test abnormality. If your HIV test is normal, no report will be made about it to MIB, LLC. Other test results may be reported to MIB, LLC in a more specific manner. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results or even that the tests have been done except as may be required or permitted by law or as authorized by you.

If your HIV test results are normal, no routine notification will be sent to you. If your HIV test results are other than normal, Thrivent Financial will send a copy of the results to the designated physician you name below. Thrivent Financial may also contact you if there are other abnormal test results which, in Thrivent Financial's opinion, are significant. Thrivent Financial will ask you for the name of the physician or other health care provider to whom you may authorize disclosure and with whom you may wish to discuss the results.

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. According to Federal authorities, persons who are HIV antibody/antigen positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant test abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

I have read and I understand this Notice and Consent for Blood or Other Body Fluid Testing Which May Include AIDS Virus (HIV) Antibody/Antigen Testing. I voluntarily consent to the testing of blood withdrawn by needle, or the testing of other body fluid, and the disclosure of the test results as described above.

I understand that I have the right to request and receive a copy of this authorization. A photocopy of this form will be as valid as the original.

## Disclosures

---

### 2. Surrender Type

**Taxable Amount** - The distribution may result in reporting taxable amount as ordinary income.

**Penalty Tax** - If this contract is a Modified Endowment Contract, an IRS penalty tax may apply to the taxable portion of my distribution if I am under age 59 1/2.

**Surrender/decease charges may apply.**

Any distribution request or dividend/surplus refund option change processed will invalidate any previous sales illustrations. Contact your representative for an illustration that shows the effects of this request on your death benefit and cash value.

If the distribution amount requested is more than the amount available and an internal product to product transfer is not involved, the distribution will be processed for the maximum amount available without terminating the contract. Does not apply to complete surrenders/entire values.

I understand that any taxable gain resulting from this distribution cannot be reversed once the distribution is processed. Such taxable gain will be subject to federal and state income tax withholding unless the Notification for Federal and State Income Tax Withholding is completed. I also understand the distribution I am requesting cannot be reversed once it is processed.

#### Loan Requests

I understand that:

- The contract is security for any contract loan.
- A contract loan bears interest from the date of disbursement at the rate provided for in said contract, or at the rate of 6 percent if no rate is provided. Interest is payable annually and if not paid will be added to the loan and bear interest at the same rate. If the interest rate is adjustable, contact the Thrivent Customer Interaction Center at 800-847-4836 to obtain the current rate being charged.
- Refer to your prospectus for information on how Variable Universal Life loans affect the subaccounts or fixed account, if available.
- A loan may result in the termination of the Death Benefit Guarantee, Lapse Protection Balance or No Lapse Guarantee, as applicable.

#### Full Surrender

I understand that:

- All insurance coverage provided by this contract and the rights of the beneficiaries under this contract cease.

#### Partial Surrender

I understand that:

- The partial surrender will reduce the cash value of the contract so there may be insufficient amounts to pay the monthly deductions and increased risk of lapse of the coverage.
- It may become necessary that additional premiums be paid in order to provide adequate cash value for future monthly deductions.
- The partial surrender may result in the reduction of the specified face amount by the amount of cash value withdrawn which could reduce the payable death benefit.
- As a result of the partial surrender, in addition to the risk of current tax liabilities, there is also an increased risk of future tax liabilities associated with the contract.
- Minimum surrender amounts may apply.
- A partial surrender may result in the termination of the Death Benefit Guarantee, Lapse Protection Balance or No Lapse Guarantee, as applicable.

---

### 3. Delivery of Payment

**Direct Deposit** - I authorize Thrivent to make this electronic deposit and, if necessary, corrections to my financial institution account. My authorization is valid for electronic deposits and corrections that comply with U.S. law. U.S. law grants me certain rights when I request an electronic deposit. These laws also regulate how electronic deposits and corrections are made to my financial institution account. This authorization shall remain in full force and effect until I revoke it by giving 10 days prior notice to Thrivent.

When providing bank information on this form, you authorize Thrivent to use a Third-Party Service Provider to verify account and account owner information. Account and/or account owner information that cannot be verified may result in a delay in processing. This Third-Party Service Provider is a consumer reporting agency under the Fair Credit Reporting Act. By signing

this form, you understand and agree that a consumer report, including credit reports, criminal records and driving records, among other forms of information obtained from private and public record sources, may be obtained on you as part of this transaction.

**Checks** - For contracts with multiple owners, disbursement checks may be made payable to only the primary owner. If only the primary owner's name appears as the payee on a disbursement check from a contract with multiple owners, it is the responsibility of the primary owner to obtain signatures of the other owners prior to cashing the check. If the disbursement results in taxable income, the tax information will be reported to all owners.

**For internal product-to-product transfers only** - Unless otherwise indicated herein, I intend the requested transfer(s) from the distributing contract(s) to become effective only if and when:

- Thrivent (including its subsidiaries and affiliates) has approved the first application of the amount(s) requested to the receiving contract(s), as described above, or, if not, as I subsequently agree to accept; and
- with respect to any receiving contract(s) that I have applied for, as described above, Thrivent (including its subsidiaries and affiliates) has approved the issuance of the receiving contract(s), as applied for or, if not, as I subsequently agree to accept.

---

#### 4. Notification for Federal and State Income Tax Withholding and Surrender Charges

**Notification of Withholding and Surrender Charges** - You are liable for federal and state income tax, where applicable, on the taxable portion of your distribution even if you elect no withholding. You may be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate. Check with your tax advisor to determine if withholding is necessary.

Form W-4R can be found on the IRS website <https://www.irs.gov/pub/irs-pdf/fw4r.pdf>

**State Withholding** - If withholding is indicated and the dollar amount or percentage is less than the state minimum, or if amount or percentage is not completed, we will withhold at your state's minimum rate.

**Residents of Connecticut** - submit the Form CT-W4P to indicate your withholding election with this form. If you do not submit Form CT-W4P with this form, Thrivent will use your most recently-submitted CT-W4P, if one is on file. If you do not submit Form CT-W4P with this form and you have not previously submitted Form CT-W4P, the maximum rate will be withheld. You have the right to revoke or change your withholding election at least 10 days prior to the effective date of the distribution.

---

#### 6. Dividend/Surplus Refund Option Change

This option will be effective on the next contract anniversary date. Refer to your contract for information about the availability of options. Dividend/surplus refunds are not guaranteed.

If you select Reduce Loan and your contract does not allow for this dividend option, then you are authorizing Thrivent to set your dividend option to Cash and to apply that cash dividend as a loan repayment to this contract.

---

#### 8. Validation

For your protection, validation of your identity is requested for certain variable and non-variable contract transactions. Surrender/disbursement transactions:

**Accelerated Death Benefit  
for Terminal Illness  
Disclosure Statement**

Name of insured (print title, first, middle, last name and suffix, as applicable)

The Accelerated Death Benefit for Terminal Illness Rider allows you to receive benefits of your life insurance contract that would otherwise be payable upon the death of the Insured. IF WE PAY YOU AN ACCELERATED BENEFIT, THE AMOUNT OF INSURANCE AND THE CASH/ACCUMULATED VALUE OF THE CONTRACT WILL BE REDUCED OR ELIMINATED.

RECEIPT OF ACCELERATED DEATH BENEFITS MAY AFFECT ELIGIBILITY FOR MEDICAID OR OTHER PUBLIC ASSISTANCE PROGRAMS AND MAY, IN LIMITED SITUATIONS, BE TAXABLE. PRIOR TO APPLYING FOR BENEFITS, YOU SHOULD CONSULT A QUALIFIED TAX ADVISOR.

Accelerated Benefits are available if the Insured has an illness or physical condition that can reasonably be expected to result in death in 24 months or less.

We will determine the amount available as an Accelerated Benefit. You may elect to receive all or part of the available amount as an Accelerated Benefit. If you elect to receive the entire amount, the contract will terminate. If you elect to receive only a portion of the available amount as an Accelerated Benefit, the contract will remain in force. THE AMOUNT OF INSURANCE, LOAN AMOUNT AND CASH/ACCUMULATED VALUE OF THE CONTRACT WILL BE REDUCED BY THE SAME PERCENTAGE AS THE PERCENTAGE OF THE AVAILABLE AMOUNT THAT YOU ELECT TO RECEIVE AS AN ACCELERATED BENEFIT. THE NEW PREMIUM OR COST OF INSURANCE WILL BE DETERMINED BASED ON THE REDUCED AMOUNT OF INSURANCE. Insurance not included in the determination of the available amount is not affected.

If a rider on the contract provides life insurance on a person who is not the Insured under the contract, the insurance under the rider may be used to provide an Accelerated Benefit on that person subject to the same provisions and conditions as for the Insured.

There is no additional premium charged for this rider. However, we will charge an administrative fee if you elect to receive an Accelerated Benefit. The fee of \$150 will be deducted to determine the Accelerated Benefit payable.

If you elect to receive an Accelerated Benefit, we will give you a notice showing the amount of the benefit and the effect that payment of the Accelerated Benefit will have on the contract's death benefit, loan amount, cash/accumulated value and premium.

THIS RIDER WILL TERMINATE UPON TERMINATION OR MATURITY OF THE CONTRACT.

Refer to your AdvisorFlex Managed Variable Annuity Client Agreement with Thrivent Investment Management Inc. for specifics about your Program Fee including your Program Fee amount and frequency.

Because the exact amount and date of your Program Fee fluctuates, Thrivent will notify you in advance of withdrawing every Program Fee payment from your bank account. Thrivent will provide that notice at least 10 days prior to withdrawing your payment. You must notify Thrivent before the draw date indicated on that notice if you want to cancel the draw. If you do not notify Thrivent by that date, Thrivent will deem you to agree to the date and amount of the withdrawal.

**Part I Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

**Note:** If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

**Part II Certification**

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9).

**What's New**

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

**Purpose of Form**

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

**Caution:** If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

**By signing the filled-out form, you:**

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

**Note:** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding.** Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

## Backup Withholding

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under “*By signing the filled-out form*” above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

## What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

• **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

**Note for ITIN applicant:** Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

• **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or “doing business as” (DBA) name on line 2.

• **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

• **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

• **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner’s name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For

example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

### Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

### Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

## Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

## Line 6

Enter your city, state, and ZIP code.

## Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note:** See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at [www.SSA.gov](http://www.SSA.gov). You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/EIN](http://www.irs.gov/EIN). Go to [www.irs.gov/Forms](http://www.irs.gov/Forms) to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to [www.irs.gov/OrderForms](http://www.irs.gov/OrderForms) to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note:** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

**Signature requirements.** Complete the certification as indicated in items 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

## Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

**Protect yourself from suspicious emails or phishing schemes.**

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at [spam@uce.gov](mailto:spam@uce.gov) or report them at [www.ftc.gov/complaint](http://www.ftc.gov/complaint). You can contact the FTC at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see [www.IdentityTheft.gov](http://www.IdentityTheft.gov) and Pub. 5027.

Go to [www.irs.gov/IdentityTheft](http://www.irs.gov/IdentityTheft) to learn more about identity theft and how to reduce your risk.

## Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. Certain penalties may also apply for providing false or fraudulent information.

# Understanding the underwriting process

Thank you for submitting your application to Thrivent. Now your application will go through underwriting. Underwriting is the process of collecting and assessing your information to determine whether you qualify for coverage, and if so, what premium is needed to pay for that coverage. We strive to make the underwriting process as easy as possible for you.

The underwriting process can be as short as a day or could take longer depending on your age, type and amount of coverage you are applying for, the complexity of your health history, or the underwriter's need for additional information. You can help shorten the time by responding to requests for examinations and information as quickly as you can.

## Helpful tips

- Have a government issued picture ID (preferably a driver's license) available.
- Have a list of the medications and doses you are taking.
- Have a list of the names, addresses and phone numbers of the medical care providers you have visited in the last 10 years.
- Wear a garment that is short-sleeved or has sleeves that can easily be rolled up.
- Be well hydrated. If a urine sample is required, you may want to drink a glass of water about an hour before your exam so you can easily provide a urine sample. Thrivent does not require you to fast for the blood and urine sample collection.
- Avoid smoking, caffeine and strenuous activity/exercise for about two hours prior to your exam. Try to relax the hour before your exam.

## How the information is used

After the underwriter receives all of the information, a decision will be made regarding your insurability. One of the following may happen:

- Your coverage may cost the same as what was shown to you by your financial advisor.
- Your coverage may cost less than what was shown to you by your financial advisor.
- Your coverage may cost more or be modified from what was shown to you by your financial advisor. Your financial advisor may contact you to discuss the decision and any alternate options available to fill your needs. You will receive a letter with your contract providing details for the decision.
- Your coverage may be denied. You will receive a letter from Thrivent providing the reason(s) for the denial.

If you are approved for coverage, you will receive a copy of your contract from your financial advisor or it will be sent directly to you from Thrivent. Please review the contract carefully. If there are any inaccuracies or incomplete information, contact your financial advisor immediately.

If there are any amendments to your contract, you will receive two copies of the amendment. You need to sign both copies. Place one in your contract and return the other to Thrivent.

## What may be needed

Depending on your age, and the type and amount of coverage you're applying for, you may be asked to complete one or more of the following.

| Type of Information Collected                                                                                                                                                                                                                                                                                                   | Estimated Time   |

If a paramedical exam, blood and urine sample and/or a Face-to-Face Assessment are needed, an examiner will contact you to schedule an appointment to complete the services.

Thrivent may also request your medical records, a motor vehicle report, an electronic inspection report (contains information such as verification of your identity, verification of your telephone number and address, vehicle registration, bankruptcy search, tax liens and judgements, criminal activity), your prescription medication history, or other information we deem appropriate.

We also may call you to gather additional information or ask for clarification of information. ## Information Disclosure Modified Endowment Contract

Contract number (if available)

### Section 1 - General Information

|                                                                                                              |               |
|--------------------------------------------------------------------------------------------------------------|---------------|
| Name of insured/proposed insured (print title, first, middle, last name and suffix, as applicable)           | Date of birth |
| Name of secondary insured/proposed insured (print title, first, middle, last name and suffix, as applicable) | Date of birth |

The life insurance contract you have applied for, or have requested a change to, will be considered a Modified Endowment Contract (MEC). First and foremost, a MEC is life insurance and retains the most important federal income tax benefit of a life insurance contract. Beneficiaries of a MEC life insurance contract receive the death benefit income tax-free.

However, certain other tax benefits of a life insurance contract are not retained. Distributions (including, but not limited to withdrawals, loans and loan interest, and certain dividends) made from the contract while the insured is living are subject to income tax. They are taxed to the extent there is gain in the contract. The gain is taxed at ordinary income tax rates, not at capital gains tax rates. Only after the entire gain in the contract is distributed are further distributions from the contract considered a tax-free return of premiums paid.

In addition, distributions\* made before the insured reaches age 59 1/2 may be subject to a 10% penalty tax. It is not advisable to fund a MEC with assets that will be necessary for living expenses.

\*CareForward only: Long-term care benefit payments are not taxable despite the MEC classification.

Thrivent does not provide tax advice. We encourage you to seek the advice of a professional tax advisor before entering into any transactions which could cause taxable consequences.

The statements contained here reflect the provisions of the current Internal Revenue Code, as amended. However, federal tax laws are subject to change at any time and could impact your MEC life insurance contract. Thrivent cannot be responsible for the consequences of any changes in the federal tax laws.

### Section 2 - Agreements and Signature

**I acknowledge that I have read this form (or have had it read to me) and that I fully understand its contents. I also acknowledge receipt of the modified endowment contract brochure. My questions were answered to my satisfaction.**

**I understand that the contract will remain a MEC as long as it remains in force. Exchanging the contract for a new contract will simply transfer the MEC status to the new contract.**

\* Partial 1035 exchanges from an existing Thrivent nonqualified annuity to an existing Thrivent nonqualified annuity are limited to funds originating from Thrivent Multi-Year Guarantee fixed period allocation about to expire.

^ Any Long-Term Care return of premium monies exchanged to the life insurance portion of Thrivent's Life with Long-Term Care Insurance are not eligible for tax-free treatment under section 1035 and will be treated as "after tax" investment in the life insurance contract.

### Section 3 - Assignment Provisions

1. I hereby assign my rights, title, and interest in my above designated Source Contract for the sole purpose of effectuating a 1035 exchange.
2. In exchange for assigning my Source Contract to Thrivent, Thrivent agrees to accept proceeds from my Source Contract, subject to any contract limitations. Upon receipt of proceeds from my source contract, Thrivent agrees to apply those proceeds to my Destination Contract. Thrivent agrees to release its ownership of my Source Contract to me upon receipt of proceeds from my source contract. Assignment of the Source Contract shall be void if Thrivent does not issue the **NEW** Destination Contract.
3. I represent and warranty that no other person or entity has an interest in my Source Contract or right to surrender my Source Contract such as an irrevocable beneficiary, assignee, or collateral assignee.
4. I have reviewed the effects of this 1035 exchange on my Source Contract, such as any surrender charge and/or loss of guarantees.
5. I agree to destroy my Source Contract if this request is for a full 1035 exchange.

---

## Section 4 - Disclosures of Distribution request

---

**If the taxable gain and surrender charge fields below are not completed or do not contain accurate amounts, this request may be delayed.** If there is no taxable gain or surrender charge, enter zero in the fields below.

I understand that:

- **Taxable Gain** - An amount of approximately \$ \_\_\_\_\_ will be reported to the IRS as being taxable as ordinary income in the year this distribution is processed.
- **Penalty Tax** - If the distribution results in a taxable gain, an IRS penalty tax may apply to the taxable gain if I am under age 59 1/2.
- **Surrender Charge** - A surrender charge of \$ \_\_\_\_\_ will be levied.
- Any taxable gain resulting from this distribution cannot be reversed once the distribution is processed.
- I am responsible for any taxable gain resulting from this distribution.
- Neither Thrivent nor its representatives or agents, makes any representation or warranty concerning my tax treatment under Section 1035 of the Internal Revenue Code or otherwise.

### Important Information

I understand that:

- Once I request this distribution, I may not be able to reverse ("free look") this request, even if Thrivent has not received the proceeds from my Source Contract.
- The company administering my Source Contract may require a different form or different type of signature. Thrivent may ask me to sign a new request in a form acceptable to the company administering my Source Contract.
- I am responsible for ensuring payment of any premium payment due on my Source Contract even after assignment of my Source Contract to Thrivent. If I have an agreement on file to pay premium on my Source Contract from another Thrivent product, Thrivent will continue to facilitate that premium payment.

### Full Exchanges

I understand that:

- All coverage provided by my Source Contract and the rights of the beneficiaries under the contract cease.

### Partial Exchanges to Annuities

I understand that:

- If I take a distribution from either contract (Source or Destination) within 180 days after the exchange, the IRS may treat this exchange as a way to avoid tax and I may be assessed with additional taxes, penalties and interest.
- Thrivent is unable to predict what regulations or tax requirements, if any, will be issued regarding partial exchanges and the effect those regulations or requirements will have on any contracts involved in a partial exchange.

### Ad Hoc 1035 Exchanges

I understand that:

- I may request to distribute the amount from specific investment options/allocations.
- If I do not request to distribute the amount from specific investment options/allocations, distributions will occur as follows:
  - Variable and Multi-Year Guarantee Annuity - proportionately from each investment option/allocation,
  - Fixed Indexed Annuity amounts from the Fixed Account and will only be taken from the Indexed Account when the value in the Fixed Account is insufficient. Amounts removed from the Indexed Account will not receive any interest.

### Market Value Adjustment (MVA)

I understand that:

- A market value adjustment may apply to the exchange amount from a Source Contract with a Fixed Period Allocation.

### Impact for a Contract with Long-Term Care Insurance

I understand that:

- If a long-term care insurance benefit or rider is present on the Source Contract, an exchange request will result in the termination of my long-term care insurance.

## Exchanges to a Long-Term Care Insurance or Life Insurance with Long-Term Care

I understand that:

- It is currently unclear what, if any, tax impact the exchange may have on long-term care benefit payments. I fully acknowledge and understand that Thrivent is unable to predict what regulation or tax requirements, if any will be issued regarding exchanges to long-term care insurance and the effect those regulations or requirements will have on any contract involved in the exchange.

## Recurring 1035 Exchange Requests to Long-Term Care Insurance

I understand that:

- Subsequent exchange amounts may vary based on amounts billed for my long-term care insurance contract and authorize adjustment of the requested 1035 exchange amount to reflect the amount necessary in subsequent exchanges. Thrivent will provide notice of the necessary 1035 exchange amount taken each year.
- The payments to the long-term care insurance contract are withdrawals from my annuity contract and will reduce and possibly deplete the value of my annuity contract.
- Distributions will occur as follows:
  - Variable and Multi-Year Guarantee Annuity - proportionately from each investment option/allocation,
  - Fixed Indexed Annuity amounts from the Fixed Account and will only be taken from the Indexed Account when the value in the Fixed Account is insufficient. Amounts removed from the Indexed Account will not receive any interest.
- Requests are intended for exchanges between Thrivent products and exchanges from other companies may require completion of annual paperwork.

## Guaranteed Living Withdrawal Benefit Rider

- Impact of withdrawal on Guaranteed Living Withdrawal Benefit (GLWB) Rider: If you have a GLWB rider and a withdrawal results in a GLWB Excess Surrender as defined by the GLWB rider, all GLWB guaranteed values will be reduced. Please see the prospectus for details.
- For Income Builder GLWB Rider Only: Be advised that the first withdrawal will set your withdrawal percentage.

- ☐ Withhold federal income tax amount of 10%
- ☐ Other federal withholding \_\_\_\_\_ %

*For more details on federal withholding, please consult IRS Form W-4R, available on the IRS website. Failure to withhold enough or underpaying estimated taxes may lead to IRS penalties.*

**State Tax Withholding:**

- ☐ Other state withholding \_\_\_\_\_ %

---

**Section 6 - Additional Information**

---

---

**Section 7 - Disclosures for Distribution Request**

---

**Notification of Withholding** - You are liable for federal and state income tax, where applicable, on the taxable portion of your distribution even if you elect no withholding. You may be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate. Check with your tax advisor to determine if withholding is necessary.

**State Withholding** - If withholding is indicated and the percentage is less than the state minimum, or if the percentage is not completed, we will withhold at your state's minimum rate.

Form W-4R can be found on the IRS website <https://www.irs.gov/pub/irs-pdf/fw4r.pdf>

**Residents of Connecticut** - submit the Form CT-W4P to indicate your withholding election with this form. If you do not submit Form CT-W4P with this form, Thrivent will use your most recently-submitted CT-W4P, if one is on file. If you do not submit Form CT-W4P with this form and you have not previously submitted Form CT-W4P, the maximum rate will be withheld. You have the right to revoke or change your withholding election at least 10 days prior to the effective date of the distribution.

**Roth Distributions** - No tax withholding will be withheld from your Roth IRA.

**Mandatory Tax** - Distributions from a 403(b) or qualified retirement plan that are eligible for rollover and are not directly rolled over are subject to mandatory 20% federal tax withholding. Refer to the 403(b) and Qualified Plan Distribution Disclosure (form 9972) for more information. If your distribution is subject to mandatory 20% federal tax withholding, your distribution may also be subject to mandatory state tax withholding.

---

**For internal product-to-product transfers only:** Unless otherwise indicated herein, I intend the requested transfer(s) from the distributing contract(s) to become effective only if and when:

- Thrivent (including its subsidiaries and affiliates) has approved the first application of the amount(s) requested to the receiving contract(s), as described above, or, if not, as I subsequently agree to accept; and
- With respect to any receiving contract(s) that I have applied for, as described above, Thrivent (including its subsidiaries and affiliates) has approved the issuance of the receiving contract(s), as applied for or, if not, as I subsequently agree to accept.

---

**I fully acknowledge and understand that:**

The withdrawal will occur approximately 10 days before the payment due date.

The payments to the recipient contract are withdrawals from my annuity contract. The withdrawals will automatically increase or decrease based upon changes to the amount billed for the recipient contract and will reduce and possibly deplete the value of my annuity contract. Subject to availability.

For variable or Multi-Year Guarantee products, the withdrawal will be made proportionately from all subaccounts or allocation periods. Specific subaccounts or allocation periods cannot be selected for the distribution.

Fixed Indexed Annuity surrenders are withdrawn from the Fixed Account first and will only be taken from the Indexed Account when the accumulated value in the Fixed Account is not sufficient. Surrenders removed from the Indexed Account will not receive any interest credited on the Interest Crediting Date.

**Penalty Tax** - If I am under age 59 1/2, a 10% premature distribution tax penalty may apply.

**Withdrawal charges may apply.**

**A market value adjustment (MVA) may apply** to distributions from a Fixed Period Allocation.

---

**Impact of withdrawal on Guaranteed Living Withdrawal Benefit (GLWB) rider:** If you have a GLWB rider and a withdrawal results in a GLWB Excess Surrender as defined by the GLWB rider, all GLWB guaranteed values will be reduced. Please see the prospectus for details.

---

**For Income Builder GLWB Riders Only:** Be advised that the first withdrawal will set your withdrawal percentage.

---

**The withdrawals may result in reporting taxable gain to me even though the withdrawals will be applied to another Thrivent contract. I also understand that any withdrawal and reporting of any taxable gain cannot be reversed. This taxable gain will be subject to federal and state income tax withholding unless I have completed Notification for Federal and State Income Tax Withholding. Each withdrawal amount will be increased by the applicable withholding.**

---

**403(b) or Tax Sheltered Annuity Distribution Acknowledgement** - I acknowledge that if the distribution from the above plan is an eligible rollover distribution and is not a direct rollover to a qualified retirement plan or IRA, the taxable amount of the distribution will be subject to 20% income tax withholding. I also acknowledge that I have received and read the 403(b) and Qualified Plan Distribution Disclosure (form 9972). I acknowledge that I have the right to delay making a decision regarding the distribution from the above plan for at least 30 days after receiving the 403(b) and Qualified Plan Distribution form and have been given this opportunity. I hereby elect to waive my right to the 30 day waiting period and request Thrivent to make this distribution as soon as administratively possible. Due to the tax consequences, I have been advised to seek competent tax advice pertaining to this distribution.

---

**Notice to Qualified Plan Trustee(s)** - Trustee(s) of Qualified Retirement Plans (such as Money Purchase Plans, Profit Sharing Plans, 401(k) Plans, Defined Benefit Plans, etc.) or 457(b) Plans must provide the Qualified Joint and Survivor Annuity Notice, when applicable, to plan participants. Your Thrivent representative will provide you with the required participant-specific benefit illustration to accompany the Qualified Joint and Survivor Annuity Notice. If a form of benefit other than the Qualified Joint and Survivor Annuity is elected, spousal consent must be obtained. Trustee(s) are also required to provide participants with a Distribution Disclosure Notice.

If you do not have the above referenced notices, Thrivent has generic notices for your use. These notices should be reviewed by your tax advisor to verify suitability for your plan. You are responsible for providing the applicable notices and obtaining any required signatures. Thrivent does not require a copy of these notices be sent to our office.

## Disclosures

---

### 2. Surrender Details

**I fully acknowledge and understand that by distributing the amount requested from my contract/agreement, the following may result:**

Upon complete surrender, I understand that all insurance coverage provided by this contract and the rights of all beneficiaries under this contract cease as of the date this form is properly signed.

**Taxable Gain** - The distributions may result in the reporting of taxable gains to me.

**Penalty Tax** - An IRS premature distribution penalty may apply to the taxable portion of the surrender if I am under age 59 1/2 or if this is a SIMPLE IRA and I have participated for less than two years.

**Surrender charges may apply.**

**A market value adjustment (MVA) may apply** to distributions from a Fixed Period Allocation.

Surrenders removed from the Indexed Account will not receive any interest credited on the Interest Crediting Date.

**Automatic Payout Option (APO)** - Only available on Deferred Annuities and FPDAs. If we receive this form in good order after your selected start date, the start date shall be deemed the first business day (or Valuation Date for variable products) that occurs on or after the date of receipt. Subsequent transactions requested pursuant to this form shall be based upon your selected start date.

If 29-31 is chosen, the 28th will be used. If no date is entered, your distribution amount will be the 15th.

Allow 2-5 business days after date selected for funds to be available to you.

Interest only payment must be at least \$25.00. Not available for FPDA or Advisor/Flex.

Fixed - Amount - FPDA only - payment amounts under \$200 will require direct deposit or payment to another Thrivent product.

Fixed Percent - % of cash value to be distributed at the time of each surrender. i.e. .8% monthly = 9.6%, or approximately 10% annually. Not available for FPDA.

If the payment frequency is blank, illegible or invalid, you are deemed to have elected annual distribution. If annual distribution is elected, but the month is left blank, illegible or invalid, you are deemed to have elected December. If the date of the distribution is left blank, illegible or invalid, you are deemed to have elected the 15th and for distributions to begin when this date next occurs.

If funds are being removed from a specific subaccount, and the value of that subaccount drops below the requested distribution amount, the value in that subaccount will be depleted and the balance will be taken proportionately from the remaining subaccounts. Subsequent payouts will be removed proportionately from all the remaining subaccounts, unless otherwise instructed.

**Impact of Withdrawal on Guaranteed Lifetime Withdrawal Benefit (GLWB) rider** - If you have a GLWB rider and a withdrawal results in a GLWB Excess Surrender as defined by the GLWB rider, all GLWB guaranteed values will be reduced. Please see the prospectus for details.

**For Income Builder GLWB Rider Only:** Be advised that the first withdrawal will set your withdrawal percentage.

**For an annuity with the Long-Term Care (LTC) Insurance Rider** - If the reason for your surrender request is due to the need to pay for LTC costs, make a claim from your LTC benefits instead of taking a partial surrender from your annuity.

**Impact of Surrender or Partial Surrender on LTC Insurance Benefits** - I understand that if the LTC Insurance Rider is present, a request to surrender, or a request for a partial surrender which results in the Accumulated Value being less than the required minimum, the LTC Insurance Rider will terminate and all LTC benefits will cease (although nonforfeiture benefits may be available). I understand that if the LTC Insurance Rider is present, a request for a partial surrender will result in a reduction of my available LTC Insurance benefits. Partial surrenders may be subject to income taxation.

I understand that the distribution and any taxable gain resulting from this distribution cannot be reversed once the distribution is processed. Such taxable gain will be subject to federal and state income tax withholding, unless the federal and state tax withholding election is completed.

Transactions are processed as of market close on the day the form is received in good order. If the withdrawal amount requested will cause the value of the contract to fall below the required minimum balance due to market fluctuation, the maximum amount available will be withdrawn.

## Disclosure and Important Information Regarding Qualified Charitable Distributions (QCD)

- Use only when IRA owner is 70 1/2 or older.
- The IRS defines QCD as an otherwise taxable distribution from an IRA (other than an ongoing SEP or SIMPLE IRA) owned by an individual who has attained the required age that is paid directly from the IRA to a qualified charity.
- The charity must qualify as a 501(c)(3) organization and be eligible to receive tax-deductible contributions. Certain charities do not qualify; such as, sponsoring charities of donor-advised funds, private foundations and supporting organizations.
- Consult a tax professional to discuss this option as it is your responsibility to ensure the distribution made with this form complies with the IRS rules.
- Thrivent will report this distribution to the IRS on IRS Form 1099-R.

---

### 3. Specific Subaccount Surrender

Minimum requirements may apply. Allocations of percentages are subject to availability. If a specific subaccount or allocation period is chosen, and the percentage field is entered, the percentage requested will be based on the specific subaccount or allocation period value, not the entire contract value. If more than 3 subaccounts, use section 7 - Additional Information.

---

### 4. Delivery of Payment

**Direct Deposit** - I authorize Thrivent to make this electronic deposit and, if necessary, corrections to my bank account. I further authorize Thrivent to act upon future electronic deposit instructions I provide to my representative or directly to Thrivent. My authorization is valid for electronic deposits and corrections that comply with U.S. law. This authorization shall remain in full force and effect until I revoke it by giving 10 day prior notice to Thrivent.

**Checks** - For contracts with multiple owners, disbursement checks may be made payable to only the primary owner. If only the primary owner's name appears as the payee on a disbursement check from a contract with multiple owners, it is the responsibility of the primary owner to obtain signatures of the other owners prior to cashing the check. If the disbursement results in taxable income, the tax information will be reported to all owners.

When providing bank information on this form, you authorize Thrivent to use a Third-Party Service Provider to verify account and account owner information. Account and/or account owner information that cannot be verified may result in a delay in processing. This Third-Party Service Provider is a consumer reporting agency under the Fair Credit Reporting Act. By signing this form, you understand and agree that a consumer report, including credit reports, criminal records and driving records, among other forms of information obtained from private and public record sources, may be obtained on you as part of this transaction.

**For internal product-to-product transfers only** - Only available for One-time Partial or Complete Surrenders. Unless otherwise indicated herein, I intend the requested transfer(s) from the distributing contract(s) to become effective only if and when:

### 6. Notification for Federal and State Income Tax Withholding and Surrender Charges

**Notification of Withholding and Surrender Charges (Not Applicable for FPDAs)** - You are liable for federal and state income tax, where applicable, on the taxable portion of your distribution even if you elect no withholding. You may be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate. Check with your tax advisor to determine if withholding is necessary.

Form W-4R can be found on IRS website <https://www.irs.gov/pub/irs-pdf/fw4r.pdf>

**State Withholding** - If withholding is indicated and the dollar amount or percentage is less than the state minimum, or if amount or percentage is not completed, we will withhold at your state's minimum rate.

**Residents of Connecticut** - submit the Form CT-W4P to indicate your withholding election with this form. If you do not submit Form CT-W4P with this form, Thrivent will use your most recently-submitted CT-W4P, if one is on file. If you do not submit Form CT-W4P with this form and you have not previously submitted Form CT-W4P, the maximum rate will be withheld. You have the right to revoke or change your withholding election at least 10 days prior to the effective date of the distribution.

**Mandatory Tax** - Distributions from a 403(b) or qualified retirement plan that are eligible for rollover and are not directly rolled over are subject to mandatory 20% federal tax withholding. Refer to the 403(b) and Qualified Plan Distribution Disclosure (form 9972) for more information. If your distribution is subject to mandatory 20% federal tax withholding, your distribution may also be subject to mandatory state tax withholding.

**Roth IRA Distributions** - No tax withholding will be withheld from your Roth IRA.

**Qualified Charitable Distribution** - No tax withholding will be withheld from your qualified annuity.

---

## 8. Plan Trustee Certification

**Notice to Qualified Plan Trustee(s)** - Trustee(s) of Qualified Retirement Plans (such as Money Purchase Plans, Profit Sharing Plans, 401(k) Plans, Defined Benefit Plans, etc.) or 457(b) Plans must provide the Qualified Joint and Survivor Annuity Notice, when applicable, to plan participants. Your Thrivent representative will provide you with the required participant-specific benefit illustration to accompany the Qualified Joint and Survivor Annuity Notice. If a form of benefit other than the Qualified Joint and Survivor Annuity is elected, spousal consent must be obtained. Trustee(s) are also required to provide participants with a Distribution Disclosure Notice.

If you do not have the above referenced notices, Thrivent has generic notices for your use. These notices should be reviewed by your tax advisor to verify suitability for your plan. You are responsible for providing the applicable notices and obtaining any required signatures. Thrivent does not require a copy of these notices be sent to our office.

Generic Notices Available:

## 10. Agreements and Signatures

**403(b) or Tax Sheltered Annuity Distribution Acknowledgement** - I acknowledge that if this distribution is an eligible rollover distribution from a 403(b) and is not a direct rollover to a qualified retirement plan or IRA, the taxable amount of the distribution will be subject to 20% income tax withholding. I also acknowledge that I have received and read the 403(b) and Qualified Plan Distribution Disclosure (form 9972). # Modified Endowment Contract

## Preserve your legacy: Transfer life insurance proceeds to loved ones or causes, with potential tax benefits.

You've worked hard to provide for your loved ones and to build assets beyond your daily living expenses. If you're in need of life insurance coverage, you may want to consider using those assets to fund a Modified Endowment Contract (MEC), which offers you the following key benefits:

- Defers income taxes on any cash value growth, as long as you don't take money out of the contract.
- Provides a death benefit to your beneficiaries that's typically not subject to income tax.<sup>1</sup>
- Bypasses probate on death proceeds that are paid to a beneficiary other than the estate.

These features enable you to leave a lasting legacy to support the people and causes that are close to your heart.

### What is a MEC?

When premiums paid into a life insurance contract exceed certain Internal Revenue Code limits, the contract is considered a MEC. As a result, any distributions you take from the contract during your lifetime are taken on a gain-out first basis, meaning they may be taxable and subject to a penalty if you are under the age of 59½.

### Is a MEC right for you?

Funding life insurance as a MEC may make sense for you if you:

- Need a death benefit.
- Have substantial assets that aren't needed for living expenses.
- Wish to leave an income tax-free legacy for loved ones.
- Seek the potential for tax-deferred cash value growth.
- Want the availability to take distributions from the contract but don't expect to.

<sup>1</sup>State and federal inheritance and estate taxes may apply.

## How MECs differ from other insurance contracts

A MEC differs from other life insurance contracts in certain ways:

- MEC distributions, such as withdrawals, loans and loan interest, automatic premium loans, collateral assignments and certain dividends, are treated as receiving the gain in the contract first. For non-MEC contracts, distributions are generally treated as receiving the investment in the contract first. In either case, you'll normally pay ordinary income tax on any gain distributed.
- A standard 10% penalty tax applies to the taxable portion of any MEC distribution taken before the contract owner reaches age 59½, unless an exception applies.

## Before you purchase

If you're considering purchasing a life insurance contract that could be classified as a MEC, consider these factors:

- Dividends, while not guaranteed, can be paid out if they're earned. They also may be taxable.
- All MECs issued to the same contract owner in the same calendar year are treated as one contract for purposes of determining gains on the distributions.
- Exchanging a MEC for another contract does not eliminate its MEC status.

## Compare a MEC with other options

The products below each have unique strengths and weaknesses, and not all of their features are covered in this high-level overview. Review the options carefully to determine which best aligns with your financial goals. This comparison assumes that the deferred annuity, mutual fund and CD are not tax-qualified accounts.

### CD<sup>1</sup>

- Lump sum only.
- Provides a guaranteed rate of return on your investment. Investment yields are based on current interest rate at time of purchase.
- Any interest is taxed annually as ordinary income.
- Withdrawals available. Early surrender penalties, interest charges and taxes may apply.
- Fees and expenses apply that can affect the value returned.

### Mutual Fund / ETF

- Can be funded over time.
- Potential short- and long-term capital gains and dividends taxed annually.
- Potential loss of value.
- Withdrawals available. Investment gains are subject to tax upon withdrawal. Tax and sales charges may apply.
- Death proceeds receive a step-up in cost basis to the beneficiary.
- Fees and expenses apply and affect the value returned. Potential loads on purchases may also apply.

### MEC

- Generally funded with a lump sum that exceeds certain Internal Revenue Code limits.
- Options available for guaranteed investment growth and death benefit, depending on the product selected.<sup>2,3</sup>
- Cash value grows tax-deferred.
- Loans and withdrawals available. Tax and surrender fees may apply.<sup>4,5</sup>
- Regular income tax on a gain-out first basis, plus 10% penalty for withdrawals prior to age 59½ on gains.
- Death benefit generally income tax-free to beneficiaries.
- Evidence of insurability is required.
- Fees and expenses including cost of insurance apply that affect the cash value.

### Deferred Fixed Annuity

- Can be funded over time.
- Investment growth at a minimum interest rate and death benefit are guaranteed.<sup>2</sup> Investment yields based on current interest rates.
- Any investment growth is tax-deferred.
- Withdrawals available. Tax and surrender fees may apply.
- Regular income tax on a gain-out first basis, plus 10% penalty for withdrawals or surrenders prior to age 59½ on gains are subject to taxation.
- Gains are taxable to beneficiaries as ordinary income.
- Fees and expenses apply that affect the value returned.

### Non-MEC Cash Value Life Insurance

- Can be funded over time, subject to IRS limits.
- Options available for guaranteed cash value growth and death benefit, depending on the product selected.<sup>2,3</sup>
- Cash value grows tax-deferred.
- Withdrawals available. Regular income tax applies.<sup>4,5</sup>
- Tax-free loans.<sup>6</sup>
- Death benefit generally income tax-free to beneficiaries.
- Evidence of insurability is required.
- Fees and expenses including the cost of insurance apply that affect the cash value.

All products have fees and expenses that may impact the cash value or value returned.

<sup>1</sup>Investing in securities involves risks such as fluctuating principal, and they may lose value. CDs offer a fixed rate of return. The value of a CD is guaranteed up to \$250,000 per depositor, per insured institution, by the Federal Deposit Insurance Corp. (FDIC), an independent agency of the United States government.

<sup>2</sup>Guarantees based on the financial strength and claims-paying ability of Thrivent.

<sup>3</sup>Some life insurance products have the potential for loss.

<sup>4</sup>Loans and surrenders will decrease the death proceeds and the value available to pay insurance costs which may cause the contract to terminate without value. Surrenders may generate an income tax liability and charges may apply. A significant taxable event can occur if a contract terminates with outstanding debt. Contact your tax advisor for further details. Loaned values may accumulate at a lower rate than unloaned values.

<sup>5</sup>Basis recovered first, then gain.

<sup>6</sup>A significant taxable event can occur if a contract terminates with outstanding debt.

## Beneficiary Provisions

Thrivent Financial for Lutherans is a fraternal benefit society. All beneficiaries must be eligible as required in the Society's bylaws.

The contract will control if any Beneficiary Provision(s) conflict.

Neither Thrivent nor its affiliates or representatives provide legal or tax advice. Where appropriate, you should consult with an attorney or tax advisor for advice.

---

### Beneficiary Shares

**CLASS:** Examples of CLASSES of beneficiaries are primary, contingent, second contingent or First Beneficiary, Second Beneficiary, Contingent Beneficiary. Your contract may use different terminology which has the same meaning.

**Beneficial Shares:** Death proceeds will be paid in equal shares to all beneficiaries of the same CLASS who survive the insured. Instead of equal shares, specific dollar or percentages are permitted with approval.

- **Specific Dollar Amount:**

- Specified dollar amounts shall be deducted first from death proceeds. Remaining proceeds shall be paid to other beneficiaries of the same CLASS in equal shares unless a different percentage is designated.
- If proceeds are insufficient to pay all specified amount designations in a CLASS, amounts paid will be in pro rata shares.

- **Percentages:** If a beneficiary predeceases the insured(s), shares will be split pro rata between the remaining beneficiaries of the same CLASS. If beneficiaries of the same CLASS are named to share in a percentage, for example, 25% to John and Jane Doe, the percentage will be paid to the survivor(s) before death proceeds are paid to the CLASS.

Proceeds will be paid to the next CLASS of beneficiaries if all beneficiaries of the same CLASS predecease the insured(s). If no beneficiary in any CLASS survives the insured, proceeds shall be paid to the owner or owner's estate as required by your contract.

---

### Spousal Consent

You should consider whether to obtain your spouse's or ex-spouse's (herein "SPOUSE's") signature if you are or ever have been married.

**Your SPOUSE's signature may be required in circumstances such as the following:**

- You live or have lived in a community property state;
- You have a divorce decree which ordered you to maintain life insurance; or
- You have or ever had a marital property agreement.

It is your sole responsibility, and not that of Thrivent, to determine whether your SPOUSE's signature should be obtained.

**If your SPOUSE's signature was required but not obtained:**

- If your SPOUSE believes s/he has a claim to proceeds, Thrivent must receive notice of that claim no later than the date it pays the contract proceeds; or
- You agree to hold Thrivent harmless for accepting your beneficiary designation and payment of any proceeds without your SPOUSE's consent.

---

### Trust Beneficiaries

**Trust Owned Contracts:** If a contract is owned by a trust, naming a beneficiary other than the trust may cause legal and/or tax issues. Naming a beneficiary other than the trust may prevent the payment of proceeds according to the objectives of the trust.

**Trust Beneficiaries:** Trust beneficiaries must qualify as eligible beneficiaries under the bylaws of Thrivent, if applicable, at the time a claim is paid. Proceeds cannot be paid to the trust if its beneficiaries are ineligible under the bylaws of Thrivent when a claim is submitted.

---

## Miscellaneous Provisions

---

**Charity as Beneficiary:** Thrivent may have the contractual right to prohibit annuitization elected by a charity at time of claim.

**Final Services Funding:** Thrivent may accept designations to name an entity which will provide for reimbursement to a state recovery program for services or for final services. An example of a state recovery program is Medicaid Estate Recovery. Examples of final services include, but are not limited to, funeral, mortuary, cemetery, cremation, and funeral trust. Any state recovery program or final services entity is permitted to receive only those proceeds necessary to reimburse for services received by the insured or pay the insured's final expenses. Verification of final expenses or reimbursement is required prior to payment of any claim. The balance of any proceeds shall be paid according to the beneficiaries you name. If there are no named beneficiaries, then the balance of any proceeds shall be paid to the insured's estate.

**Irrevocable Beneficiary:** To designate a primary or contingent beneficiary as irrevocable, indicate "irrevocable" in the beneficiary designation. After an irrevocable beneficiary is named any changes to the contract can only be made with the consent of the irrevocable beneficiary. These changes include beneficiary changes, loans, withdrawals, contract surrender, dividend option changes, and long-term care claim payments for Care Forward contracts

---

## Minor Beneficiaries

---

**When Naming a Custodian:** You may wish to direct payment of proceeds to minor beneficiaries by naming a custodian. You may designate: a custodian who will control property until it is transferred to the beneficiary. These designations will be administered under the Uniform Transfers to Minors Act (or similar law) of the state where the minor resides unless another state is designated.

**When Not Naming a Custodian:** If any proceeds are payable to a person under age 18 at the time of claim and you did not designate a custodian, you are deemed to elect to use the state where the minor resides on the date of the insured's death to administer the property under the Uniform Transfers to Minors Act (or similar state law). Thrivent may pay, as custodian, any adult family member with whom the client resides.

---

## Simultaneous Death

---

A beneficiary will be treated as having predeceased the insured if: 1) that beneficiary dies at the same time as the insured; or 2) within 15 days of the insured.

This provision shall not apply if the proceeds have already been paid to the beneficiary.

Your contract may contain a 15 day survival provision. If your contract contains this provision, that provision will control.

---

## Group Designations

---

Thrivent strongly encourages individuals to be named, as this can clarify your intent with regards to beneficiary designations.

Thrivent will only approve the following Group Designations: 1) children; 2) sons; 3) daughters; 4) brothers; 5) sisters; 6) half-brothers; 7) half-sisters; 8) grandchildren; 9) great-grandchildren; 10) granddaughters; and 11) grandsons.

Unless you specify otherwise, group designations shall only include naturally born or legally adopted members of that group. For example, step-children who you have not legally adopted will not be included in a group designation of Children.

---

## Per Stirpes

---

**Per Stirpes** is a stipulation directing that proceeds pass to the children of a beneficiary if that beneficiary pre-deceases the insured. If none survive the insured, proceeds will pass according to the instructions outlined in the Beneficiary Shares provision.

This stipulation may be added to any group or individual with approval from Thrivent. All provisions outlined under Group Designations will also apply to a Per Stirpes stipulation.

**Treatment:** We do not use information about your health to provide you with medical treatment or related services.

**Payment:** Generally, we use and disclose information about your health so we can administer claims, which includes reimbursing incurred expenses for treatment and services you receive from a health care provider. **Thrivent**  
**Attention: Privacy Office**  
**4321 N. Ballard Road**

**Right to revoke authorization:** You may revoke your authorization that allows us to use or disclose health information that is not otherwise covered by this notice or applicable law in writing at any time except: when the authorization was obtained as a condition of obtaining insurance; during the contestable period; or to the extent that we have taken action in reliance on your written authorization. In your request, you must tell us the information you want to limit; whether you want to limit our use, disclosure or both; and to whom you want the limits to apply

(for example, disclosures to your spouse).

We are not required to agree to your requested restriction or limitation, unless the protected health information pertains solely to health care for which you, not a health plan, have paid us or your provider in full.

**Right to request confidential communications:** If you could be endangered by our normal communication channels, you have the right to request that we communicate information about your health to you by alternative means or at an alternative location. We will ask you the reason for your request, and we will accommodate all reasonable requests. Your request must specify how or where you wish to be contacted.

**Right to inspect and copy:** You have a right to inspect and copy information about your health that we maintain. Usually, this includes medical and billing records. Under federal law, this right does not include psychotherapy notes or information about your health compiled in reasonable anticipation of litigation, administrative action or administrative proceeding. If you request a copy of this information, we may charge a standard fee for the costs of copying, mailing or other supplies associated with your request.

We may deny your request to inspect and copy in certain limited circumstances, such as where disclosure would reasonably endanger the life or physical safety of you or another person. If you are denied access to information about your health, you may request that the denial be reviewed.

**Right to amend:** If you believe the information we have about your health is incorrect or incomplete, you may ask us to amend the information. You must provide a reason that supports your request. You have the right to request an amendment for as long as the information is kept by or for us.

We may deny your request for an amendment if it is not in writing or does not include a reason to support the request. In addition, we may deny your request if you ask us to amend information that:

- Was not created by us, unless the person or entity that created the information is no longer available to make the amendment.
- Is not part of the information about your health kept by or for us.
- Is not part of the information about your health that you would be permitted to inspect and copy.
- Is accurate and complete.

This right applies to disclosures for purposes other than treatment, payment, health care operations, or as otherwise permitted or required by law. You have a right to receive specific information about these disclosures that occur after Nov. 1, 2002. ### Section 3 - Document Availability

Your voluntary consent will apply to:

- any product with which you have a relationship now or while your consent is in effect; and
- any document Thrivent is legally permitted to send via eDelivery.

Examples of the documents you might receive are included in Section 2. Thrivent may, at its discretion, mail paper documents. Depending on the relationship you have with Thrivent, Thrivent may allow you to choose eDelivery of specific documents. Thrivent reserves the right to discontinue this type of offering in the future.

The length of time your electronic documents are available online may vary by product and document. The length of time will never be less than legally required.

---

#### Section 4 - Revoke eDelivery Preference or Request Paper Copies

---

Thrivent will act upon your voluntary eDelivery consent until you revoke it. You may revoke your eDelivery preference and receive documents by U.S. mail at any time without penalty. Thrivent accepts notification of revocation through any of the Contact Thrivent options listed. Revocations will be processed within 7 days or sooner as required by law. On some products, Thrivent may discontinue waiving certain contractual fees or charges if you revoke your eDelivery consent. However, you will not incur a separate charge or fee for receiving paper documents. Revocation does not change the effectiveness, validity, or enforceability of documents previously provided to you by eDelivery.

You may request paper copies of any document you previously received by eDelivery without revoking your eDelivery preference. Thrivent will provide these documents to you free of charge.

If Thrivent is unable to successfully eDeliver your documents, Thrivent will contact you by U.S. mail with further instructions. Thrivent may deem unsuccessful eDelivery of your documents as a revocation of consent for eDelivery.
