Surrender Charges and Tax Withholding Amount

Any surrender charges or tax withholding should be selected below.

- Add to amount requested. *Your distribution will be for the amount requested. Your account balance will be reduced by this amount plus, any applicable surrender charges, federal/state tax.*
- Subtract from amount requested. *Your distribution will be for the amount requested less any applicable surrender charges, federal/state tax. Your account balance will be reduced by the amount requested.*

Unless otherwise indicated on this form, state and/or federal income taxes will be added to distribution amount requested.

Federal and State Withholding Election

Under current federal income tax law, we are required to withhold 10% of the taxable portion of the cash surrender value and pay it to the IRS unless you tell us in writing not to withhold the tax. Some states also require us to withhold state income tax if we withhold federal tax.

You are responsible for paying income tax on the taxable portion of your payment, even if we do not withhold taxes. In making your decision about withholding taxes, you should consider that penalties under the estimated income tax rules may apply if your withholding and estimated income tax payment are not sufficient.

- Do not withhold federal income tax
- Do not withhold state income tax

If you would like an amount withheld other than the required withholding percentage, indicate in section 7, Additional Information.

Residents of Connecticut - submit the Form CT-W4P to indicate your withholding election with this form. If you do not submit Form CT-W4P with this form, Thrivent will use your most recently-submitted CT-W4P, if one is on file. If you do not submit Form CT-W4P with this form and you have not previously submitted Form CT-W4P, the maximum rate will be withheld.

Disclosures

Surrender Details

I fully acknowledge and understand that by distributing the amount requested from my contract/agreement, the following may result:

Upon complete surrender, I understand that all insurance coverage provided by this contract and the rights of all beneficiaries under this contract cease as of the date this form is properly signed.

Taxable Gain - The distributions may result in the reporting of taxable gains to me.

Penalty Tax - An IRS premature distribution penalty may apply to the taxable portion of the surrender if I am under age 59 1/2 or if this is a SIMPLE IRA and I have participated for less than two years.

Surrender charges may apply.

A market value adjustment (MVA) may apply to distributions from a Fixed Period Allocation.

Surrenders removed from the Indexed Account will not receive any interest credited on the Interest Crediting Date.

Automatic Payout Option (APO) - Only available on Deferred Annuities and FPDAs. If we receive this form in good order after your selected start date, the start date shall be deemed the first business day (or Valuation Date for variable products) that occurs on or after the date of receipt. Subsequent transactions requested pursuant to this form shall be based upon your selected start date.

If 29-31 is chosen, the 28th will be used. If no date is entered, your distribution amount will be the 15th.

Allow 2-5 business days after date selected for funds to be available to you.

Interest only payment must be at least \$25.00. Not available for FPDA or Advisor/Flex.

Fixed - Amount - FPDA only - payment amounts under \$200 will require direct deposit or payment to another Thrivent product.

Fixed Percent - % of cash value to be distributed at the time of each surrender. i.e. .8% monthly = 9.6%, or approximately 10% annually. Not available for FPDA.

If the payment frequency is blank, illegible or invalid, you are deemed to have elected annual distribution. If annual distribution is elected, but the month is left blank, illegible or invalid, you are deemed to have elected December. If the date of the distribution is left blank, illegible or invalid, you are deemed to have elected the 15th and for distributions to begin when this date next occurs.

Impact of Withdrawal on Guaranteed Lifetime Withdrawal Benefit (GLWB) rider - I understand that if the GLWB rider is present and a withdrawal request results in a GLWB excess surrender as defined by the GLWB rider, all future GLWB guaranteed values will be reduced. The benefit base and survivor benefit, if any, will be reduced by at least the amount of the excess surrender or in the same proportion the Account Value is reduced. The Guaranteed Withdrawal Amount (GWA) for the next contract year will be reduced in the same proportion as the benefit base. The excess surrender will result in a permanent reduction in all future GWAs. If you would like to make an excess surrender and are uncertain how an excess surrender will reduce your future GWAs, then you may contact us prior to requesting the withdrawal to obtain a personalized, transaction-specific calculation showing the effect of the excess surrender.

For an annuity with the Long-Term Care (LTC) Insurance Rider - If the reason for your surrender request is due to the need to pay for LTC costs, make a claim from your LTC benefits instead of taking a partial surrender from your annuity.

Impact of Surrender or Partial Surrender on LTC Insurance Benefits - I understand that if the LTC Insurance Rider is present, a request to surrender, or a request for a partial surrender which results in the Accumulated Value being less than the required minimum, the LTC Insurance Rider will terminate and all LTC benefits will cease (although nonforfeiture benefits may be available). I understand that if the LTC Insurance Rider is present, a request for a partial surrender will result in a reduction of my available LTC Insurance benefits. Partial surrenders may be subject to income taxation.

I understand that the distribution and any taxable gain resulting from this distribution cannot be reversed once the distribution is processed. Such taxable gain will be subject to federal and state income tax withholding, unless the federal and state tax withholding election is completed.

Specific Subaccount Surrender

Minimum requirements may apply. Allocations of percentages are subject to availability. If a specific subaccount or allocation period is chosen, and the percentage field is entered, the percentage requested will be based on the specific subaccount or allocation period value, not the entire contract value. If more than 3 subaccounts, use section 7 - Additional Information.

Delivery of Payment

Direct Deposit - I authorize Thrivent to make this electronic deposit and, if necessary, corrections to my bank account. I further authorize Thrivent to act upon future electronic deposit instructions I provide to my representative or directly to Thrivent. My authorization is valid for electronic deposits and corrections that comply with U.S. law. This authorization shall remain in full force and effect until I revoke it by giving 10 day prior notice to Thrivent.

Checks - For contracts with multiple owners, disbursement checks may be made payable to only the primary owner. If only the primary owner's name appears as the payee on a disbursement check from a contract with multiple owners, it is the responsibility of the primary owner to obtain signatures of the other owners prior to cashing the check. If the disbursement results in taxable income, the tax information will be reported to all owners.

For internal product-to-product transfers only - Only available for One-time Partial or Complete Surrenders. Unless otherwise indicated herein, I intend the requested transfer(s) from the distributing contract(s) to become effective only if and when:

- Thrivent (including its subsidiaries and affiliates) has approved the first application of the amount(s) requested to the receiving contract(s), as described above, or, if not, as I subsequently agree to accept; and
- with respect to any receiving contract(s) that I have applied for, as described above, Thrivent (including its subsidiaries and affiliates) has approved the issuance of the receiving contract(s), as applied for or, if not, as I subsequently agree to accept.

Withholding and Charges

Notification of Withholding and Surrender Charges (Not Applicable for FPDAs) - You are liable for federal and state income tax, where applicable, on the taxable portion of your distribution even if you elect no withholding. Except where prohibited by federal and/or state law, you can elect: 1) no withholding; 2) withholding at the minimum federal and state rates; or 3) withholding at a rate higher than the minimum rates. You may be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate. Check with your tax advisor to determine if withholding is necessary.

Federal Withholding - If withholding is indicated and the dollar amount or percentage is less than 10%, then 10% federal withholding will occur.

State Withholding - If withholding is indicated and the dollar amount or percentage is less than the state minimum, or if amount or percentage is not completed, we will withhold at your State's minimum rate.

You have the right to revoke or change your withholding election at least 10 days prior to the effective date of the distribution.

Mandatory Tax - Distributions from a 403(b) or qualified retirement plan that are eligible for rollover and are not directly rolled over are subject to mandatory 20% federal tax withholding. Refer to the 403(b) and Qualified Plan Distribution Disclosure (form 9972) for more information. If your distribution is subject to mandatory 20% federal tax withholding, your distribution may also be subject to mandatory state tax withholding.

Roth IRA Distributions - No tax withholding will be withheld from your Roth IRA.

Plan Trustee Certification

Notice to Qualified Plan Trustee(s) - Trustee(s) of Qualified Retirement Plans (such as Money Purchase Plans, Profit Sharing Plans, 401(k) Plans, Defined Benefit Plans, etc.) or 457(b) Plans must provide the Qualified Joint and Survivor Annuity Notice, when applicable, to plan participants. Your Thrivent representative will provide you with the required participant-specific benefit illustration to accompany the Qualified Joint and Survivor Annuity Notice. If a form of benefit other than the Qualified Joint and Survivor Annuity is elected, spousal consent must be obtained. Trustee(s) are also required to provide participants with a Distribution Disclosure Notice.

If you do not have the above referenced notices, Thrivent has generic notices for your use. These notices should be reviewed by your tax advisor to verify suitability for your plan. You are responsible for providing the applicable notices and obtaining any required signatures. Thrivent does not require a copy of these notices be sent to our office.

Generic Notices Available:

- Qualified Joint and Survivor Annuity Notice form
- Spousal Consent form
- 403(b) and Qualified Plan Distribution Disclosure form

- a. Greater than \$499,999 will require a Medallion Signature Guarantee for variable contract transactions and a Notary Public for non-variable contract transactions.
 - b. Greater than \$99,999 and up to \$499,999 will require one of the following forms of validation:
 - Attestation by a Thrivent representative
 - A Notary Public
 - A Medallion Signature Guarantee (not available for fixed contracts)
 - c. Greater than \$10,000, less than \$99,999, and the address of record changed within the prior 15 days will require a Notary Public or attestation by a Thrivent representative.
 - d. Greater than \$10,000, less than \$99,999, and the bank information provided has been on record for less than 15 days will require a voided check from the bank account, a Notary Public, or attestation by a Thrivent representative.
 - e. Requesting special distribution instructions will also require one of the three forms of validation listed in (b) above. Examples include: Request to send proceeds to an address other than the one listed on your contract and/or request to make proceeds payable to someone other than the current owner.
A Notary Public or Medallion Signature Guarantee may generally be obtained at any national bank.
