Create a username and password.

The user ID is different than your member ID. It needs to comply with the following rules:

- Must be between six and 20 characters.
- May not have blank spaces.
- Is not case sensitive.
- Does not allow special characters.
- Cannot be a nine-digit number.

Your password should be something that only you would know and that cannot be easily guessed by others. It must comply with these rules:

- Password is between 12 and 32 characters.
- You must include at least one uppercase and one lowercase letter.
- You must include at least one number and one special character.
- Password cannot contain your username.
- Password cannot contain more than two of the same character in a row.
- Password cannot contain spaces.
- Password cannot be a common, easy to guess word.
