
Guide to completing the Business Entity Information form

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal Law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for business entities opening an account:

When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

Purpose:

This form is needed to inform Thrivent of the individuals authorized to act on behalf of the legal entity; and to provide beneficial owner and controller owners information to allow Thrivent to verify identity of account owners and controllers, as is required by the Bank Secrecy Act.

Things you should know:

The business entity name on this form must be the legal name of your business. Changes in the business entity's legal name require the completion of a new form.

The business entity must promptly notify Thrivent of any changes to the form or the representations made. Thrivent reserves the right to review additional business documents including, but not limited to, Articles of Incorporation or Bylaws.

Thrivent does not have the authority to provide business administration, legal or tax advice. No Thrivent representative has the authority to provide you with advice on how to complete this form.

Section 1: The customer can have the form apply to ALL accounts in the name of the legal entity; OR apply only to specific accounts by listing the account number(s). If no account number is provided, then this form will apply to all accounts that the legal entity holds.

Section 2: All information is required.
