Thank you for choosing the Virtual Advice Team to help you achieve your goals. My name is Grant Anderson. I work with folks like you to better understand their goals and situations so they can live lives full of meaning and gratitude.

I have been with Thrivent since graduating from the University of Minnesota in 2018 with a degree in economics. I enjoy using my skills to help others succeed.

When I'm not working, I like to spend time with family and friends, volunteer at a local food shelf, and cheer on one of the Minnesota sports teams.

I look forward to getting connected!
