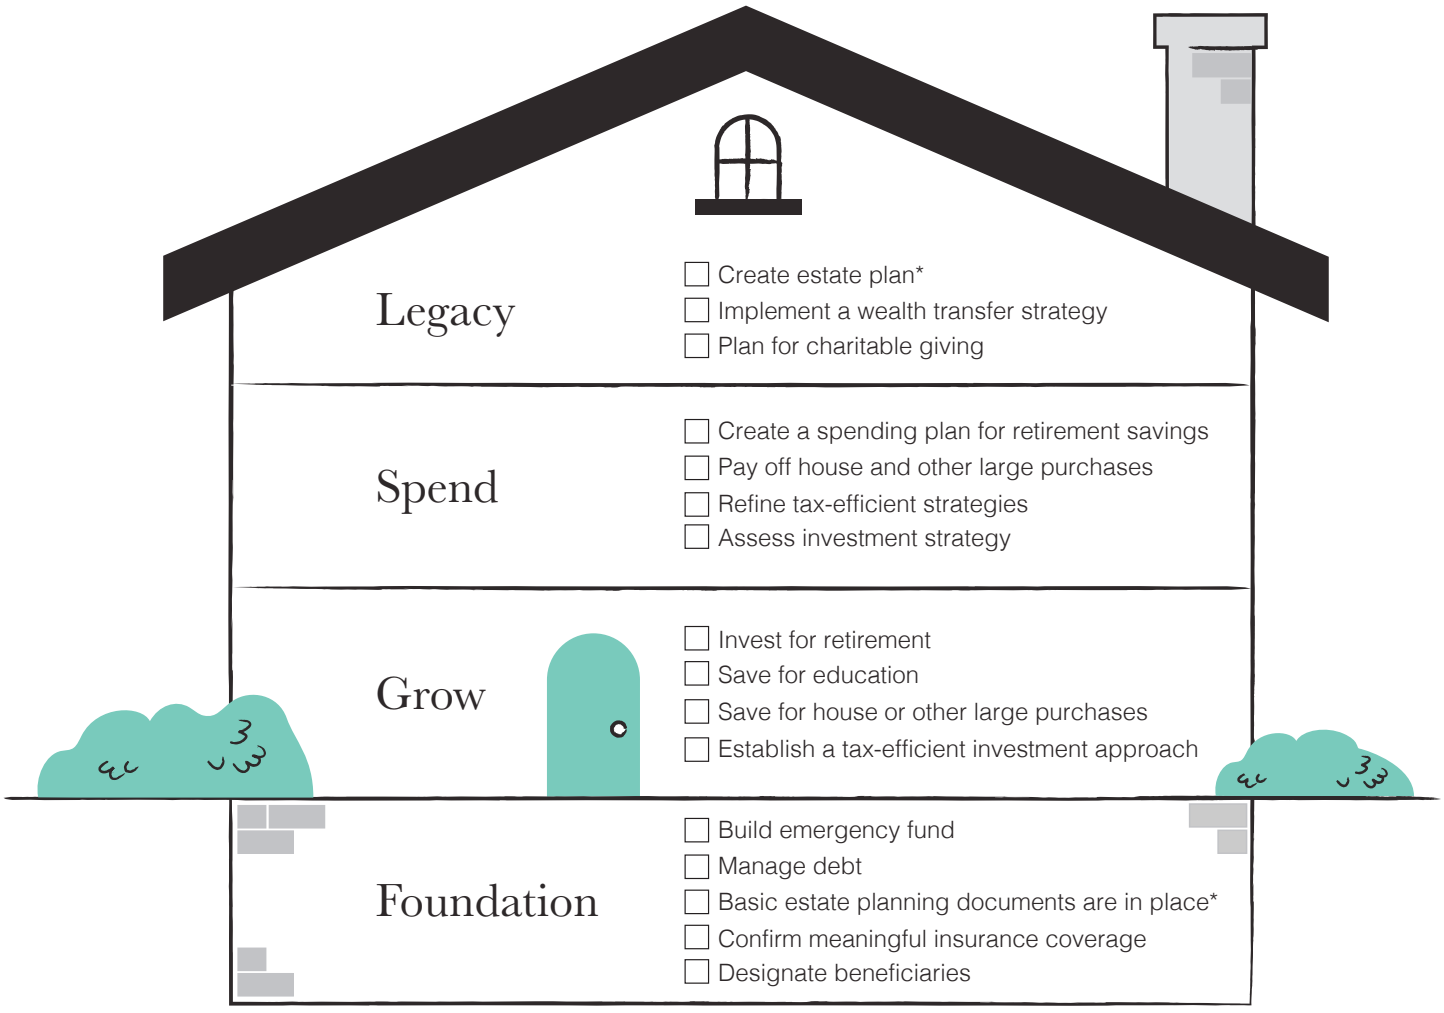
Build your financial house

Start with the blueprint and make it your dream home.

Much like a blueprint for building a house, your financial plan is designed to reflect your unique values, needs and aspirations. At Thrivent, we use the financial house to help you prioritize important goals, build a solid foundation and revisit your financial plan to track your progress over time.

Your Thrivent financial advisor will work with you at every level to structure your financial plan with tax efficiency in mind.



*Some services may not be offered through Thrivent or its financial advisors.

Thrivent and its financial advisors and professionals do not provide legal, accounting or tax advice. Consult your attorney or tax professional.

Thrivent provides advice and guidance through its Financial Planning Framework that generally includes a review and analysis of a client's financial situation. A client may choose to further their planning engagement with Thrivent through its Dedicated Planning Services (an investment advisory service) that results in written recommendations for a fee.
