What is a Thrivent Action Team?

A Thrivent Action Team is a group of community members led by a Thrivent client to complete a fundraiser, educational event or service activity. You submit your project idea through an application. Once approved, we'll send you a Thrivent Action Kit, which can include:

- A Community Impact Card with up to \$250 in seed money.
- A personalized webpage and other digital tools to promote your activity.
- “Live Generously” T-shirts.

Thank you cards, name tags, stickers and more.

Clients with membership can lead two Thrivent Action Teams per year, and clients with associate membership can lead one team per year. If you need help with your application, call our office at 605-399-9373 and we can walk you through the process.

Please share your Thrivent Action Team success with us. Send your story and a picture to huetherassociates@thrivent.com and you may be featured in a future newsletter.
