How can you prepare for the legacy you want to leave?

Summer vibes with YJ: hot spots, cool eats and must do's

Southport, North Carolina/Oak Island has a small-town feel with plenty to do.

Niki and her family love eating at Provision and Company and at dusk take the lantern-led Ghost Walk Tour with Old South Tour Company.

Every year Alisa's family looks forward to getting homemade ice cream at the BEST little ice cream shop, Lil & John's Sweet Treat Ice Cream Parlor in Oak Island.

Also, the grown-ups love stopping in for a drink at their favorite outdoor bar, American Fish Company, and the little boys always look forward to filling up a bag of candy by the pound at The Christmas House in Southport.

Jennifer and her family try out different beach towns in North Carolina and South Carolina. This year they're giving Nags Head a try. We hope to hear back on some fun things to do out there.

Other team members like to keep it more local. Jeannie and her family enjoy tubing on the French Broad River and the New River. Their days are complete with grilling out and spending time with friends and family. They also take in live music at local breweries such as Lake Norman Brewery, Novel Taproom or Royal Bliss.

Colby is interested in anything that involves water. It doesn't matter if it's a lake, stream or on the coast! One of his favorite spots is the Florida Keys and their famous Key lime pie.

Your Journey out and about

Thrivent Business Development Conference 2024

In January, the Your Journey advisors traveled to Texas to participate in the Thrivent Business Development Conference. The 2024 conference helped kick-start the year and energize the financial advisors to have the right mindset, focus on the positives in their practice, and take advantage of available resources. While attending, Kelly was a keynote speaker where she discussed charitable giving.

Foothills Veterans Stand Down

The team visited Catawba Valley Community College and served lunch to over 500 veterans. The event also provided medical services, clothing, educational resources, community resources and employment counseling through Foothills Veterans Helping Veterans.

Lauren Daigle concert

The Your Journey ladies enjoyed a night out at contemporary Christian singer-songwriter, Lauren Daigle's Kaleidoscope Tour in Charlotte, North Carolina.
