BACKGROUND INFORMATION®**

STRENGTHENING COMMUNITIES. CHANGING LIVES.

Thrivent Financial is a financial services organization that helps Christians be wise with money and live generously. We offer a broad range of products and services—including life insurance, annuities and mutual funds—along with guidance from our financial representatives.

For more than a century we've helped our members—which now total more than 2.3 million—make wise money choices that reflect their values. And we provide opportunities for them to be even more generous where they live, work and worship.

At Thrivent, we believe that all we have is a gift from God and that generosity is an expression of faith. One way we express generosity is through our unique member-advised charitable grant program, Thrivent Choice®. The program gives members the power to recommend where some of Thrivent's charitable outreach funds are distributed.

The source of our funding

Funding for outreach comes from Thrivent's tax exemption as a not-for-profit fraternal benefit society. Money we would otherwise pay in certain taxes goes to strengthen communities. Through Thrivent Choice, members have a voice in where the money goes. They also have an opportunity to add to the outreach with their own fundraising efforts and volunteer time.

The Thrivent Choice® charitable grant program engages Thrivent members and chapters in providing grants that support charitable activities, furthering Thrivent's mission and its purposes under state law. All grants are made at the sole discretion of Thrivent. Directing Choice Dollars® is subject to the program's terms and conditions available at Thrivent.com/thriventchoice.
