

# ACTIVATE YOUR *community impact card*

## The card must be activated before you can use it. To activate it:

2. Call 800-344-5696.

5. Press 1 to activate.

## A little 'legal-eze' we need to share

### By activating the card, you agree to the following terms of agreement:

I am a member of Thrivent. I have volunteered to lead various charitable activities in conjunction with, and as sponsored by, Thrivent ("volunteer work"). Thrivent is providing funds to support the volunteer work through preloaded credit cards ("Community Impact Cards") and has the ability to view all transactions. Thrivent is the sole owner of the funds on the Community Impact Card. As such, I understand and agree to the following:

- I am only authorized to use this card to purchase and pay for items or services that are directly necessary and essential to the volunteer work.
- While Thrivent issued this card to me, I am responsible for its safekeeping, proper spending and purchases, and I will care for this card as I would my own credit card.
- I will not use the Community Impact Card for my own personal gain, or for the gain of any other person or entity other than those intended to benefit from the volunteer work.
- I will retain receipts for any and all purchases made on the Community Impact Card for up to one year, and will be prepared to submit applicable receipts in the event there is a question about a specific charge.
- At any time that Thrivent requests me to do so, I will immediately cease any and all use of the Community Impact Card.

I agree that if I do not comply with the terms of this agreement, Thrivent may avail itself of all remedies available, including all remedies available in law and equity.
