

HABITAT FOR HUMANITY WITH THRIVENT

Our Work Together

Thrivent and Habitat for Humanity help families in need of a safe and decent place to call home. Together with our communities—who put God’s love into action by pooling their power and passion—our partnership helps volunteers give and receive on their journey to a more content, confident and fulfilling life.

Since our partnership began in 2005, the impact has continued to grow:

- Thrivent and our members have committed **\$252 million** to build or repair more than **5,400** homes in the U.S. (Thrivent funds up to 50% of each home, and Thrivent volunteers are encouraged to raise additional funds to support Habitat offices).
- Thrivent volunteers will complete **more than 1,300 home building trips** in the U.S. and around the world to help build even more homes.
- **More than 756,000 volunteers** have helped build and repair homes.
- Thrivent and our members have donated **5.5 million volunteer hours**. That’s equal to 636 years of continuous volunteer work!

About Thrivent Financial and Habitat for Humanity

Thrivent is a mission-driven, membership-owned insurance and financial services organization that helps Christians be wise with money and live generously. Thrivent provides opportunities for its members to give back where they live, work and worship. Thrivent’s partnership with Habitat for Humanity is one example of this.

Habitat for Humanity is a global nonprofit housing organization working in nearly 1,400 communities across the U.S. and approximately 70 countries worldwide. Habitat’s vision is of a world where everyone has a decent place to live. The organization works to fulfill that vision by building strength, stability and self-reliance in partnership with people and families in need of a decent and affordable home.

Thrivent Builds Homes

This program focuses on improving communities across the country by helping Habitat build homes alongside future homeowners who then pay an affordable mortgage for the home. Through this program, piloted in 2005, Thrivent members have built or renovated homes in **48** states and the District of Columbia.
