## **Generosity Multiplier: Gifts for Children**

Guests are invited to participate in a “Generosity Multiplier” by bringing small, thoughtful gifts that will be hand-carried by Compassion International staff and supporters during upcoming visits to Compassion programs around the world.

Each gift serves as a tangible reminder that the children are seen, valued, and cared for by a global community.

Suggested items:

- Backpack or tote bag
- Jump rope, jacks, marbles
- Frisbees, bubbles
- Pens, pencils, sharpener
- Picture books, stickers
- Paper, drawing pads
- Candy (nothing that melts)
- Bookmarks, coloring books
- Crayons, markers
- Hair ribbons, barrettes
- Soap, shampoo (travel size)
- Toothbrush, toothpaste

For every household that brings a tangible gift for children to the event, the Thrivent Member Network – Front Range Region will make a \$25 donation to Compassion International’s Child Development Center in Ethiopia as a generosity multiplier for their efforts (up to \$1000).
