Welcome Home Kits

The Lutheran Social Services Network of Hope provides hope and healing for people in crisis, allowing them to overcome barriers to becoming self-sufficient.

Lutheran Social Services Faith Mission provides caring support to homeless men and women transitioning into permanent housing. When residents come into shelter they often have very few personal belongings as they are working to over the barriers that contribute to homelessness. The goal is for each client to find permanent, stable housing.

You can help by providing our residents with Welcome Home Kits. These items are essential to those we serve as they start down their new path.
