A Letter From Your Region

Hello, Thrivent Member Network – Texas Region!

My name is Liz Mikel, and I recently joined the Texas Region as our new Manager of Community Engagement. I was previously a Community Engagement Leader in the Great Plains Region in Central Illinois, and I am so excited to be joining the Thrivent team in Texas!

We find ourselves in a unique time as a nation. We continue to manage safety for ourselves and our families, confront the current landscape of racial equity for all people in our communities, and work to remain flexible with our jobs, our children's summertime activities, and overall day-to-day life. Our hope at Thrivent is that you are adapting to a "new normal," staying well, and remaining healthy.

During this time of social distancing, we are excited to continue providing you with opportunities to engage alongside us virtually. We have pivoted many events to the virtual environment, and we have loved seeing people interact across Texas over the past few months! Families cooked budget-minded meals together in virtual cooking classes with Sticky Fingers, couples learned financial tips in our Money and Marriage webinar, and we gleaned best practices from Tom Hegna on preparing for retirement. The virtual landscape is allowing us as a nation, as a region, as a state to come together across geographical lines and grow as one community.

We know this is a hard time for many. We know it's not easy for anyone, and yet, we are committed to continue helping you to not only survive, but thrive. Watch our Facebook page for upcoming webinars and fun virtual activities we'll be providing throughout the summer. We look forward to being here with you, showing up together as one community, one Thrivent.

Regarding Our New Brand

Watch for our rebranded newsletter – coming soon!

Over the last few weeks, you may have noticed some changes to our brand, namely on our website. These changes are a result of deeper work we've done at our core. We've strengthened our purpose, transforming from the outside-in, and redefined our promise to you: we're here to help you achieve financial clarity, to enable a life full of meaning and gratitude. Of course, we're staying true to what has made us special for more than 100 years—continuing to serve you as you make financial decisions guided by your faith.

We welcome you to learn more about the thinking behind the new Thrivent brand in the June issue of [Thrivent Magazine](#).

Giving Shoes. Giving Hope.

With a company goal of putting 20,000 pairs of shoes on 20,000 children's feet by August 2020, Thrivent teamed up with Samaritan's Feet to provide individuals the opportunity to come together in community, to help the community.

Samaritan's Feet serves and inspires hope in children both domestically and internationally by providing shoes as the foundation to a spiritual and healthy life, resulting in the advancement of education and economic opportunities.

The Thrivent Member Network – Texas Region rallied over 150 volunteers to support four Elementary Schools at shoe distribution events in the Dallas/Fort Worth and Houston, Texas areas. Together, we shared hope and encouragement while providing brand new shoes and socks to over 2,000 children in need within our local community!

You can still help! [Donate](#) \$20 today and give a message of hope by buying a child a new pair of shoes.

Thrivent Choice Partner Spotlight: Briarwood Leadership Center

When our clients are ready to make an impact on the causes and nonprofits they care most about, we're here to help. Through our Thrivent Choice® program, clients can make a personal donation or direct Thrivent Choice Dollars® to more than 40,000 churches and nonprofits.

Briarwood Leadership Center, a Thrivent Choice organization, found their partnership with Thrivent's local office and national support to be a huge win in 2019. This is what Briarwood Leadership Center had to say about the partnership:

"Briarwood's local Thrivent office, Ridgemont Associates, has been a longtime supporter of the Briarwood Golf Outing. Briarwood's long-established relationship with Ridgemont Associates linked Briarwood to other expressions of the Thrivent organization, regionally and nationally.

"Thrivent operates at hyper-local levels to support community engagement. By maximizing those relationships, organizations are able to benefit from the organization as a whole. Thrivent is unique in being a non-profit financial services organization. This means that their profits are reinvested in communities throughout the United States and the world. AND you get a good return on investments.

"Last year, Briarwood partnered with the regional and national offices of Thrivent on the Cooking for Christ event, which was linked to Briarwood Night at the home opener for the Texas Legends. That planning then led to an amazing Giving Tuesday event we hope to replicate every year."

Briarwood Leadership Center was able to speak to a live and televised audience about their organization's mission, vision and services at the opening basketball game for the Texas Legends as well as be recognized during the halftime show. As a Giving Tuesday partner, Thrivent matched \$1 for every \$2 raised by Briarwood Leadership Center for a total of \$45,850.50 donated to the organization on this generous day of giving.

How to Help: Virtual Volunteering

Thrivent wants to make volunteering accessible to you even while you are spending time at home. Virtual volunteering makes it easy to help others from your couch or computer.

Habitat Trifecta: Habitat and Thrivent Faith Builds

Since 2005, Habitat for Humanity and Thrivent have partnered to build homes, strengthen neighborhoods and change lives. Our partnership provides opportunities for Thrivent clients, churches, community members and volunteers to be part of the solution to substandard housing resulting in improved communities and changed lives.

Sunday, September 1, 2019, was an eventful day as many gathered for a Habitat “Trifecta” located in Pasadena Habitat for Humanity’s Freedom Place Subdivision in Pasadena, Texas. Pasadena Habitat for Humanity held the dedication of a new home, the blessing of the construction of a Habitat and Thrivent Faith Build home, and the burning of a mortgage for a Habitat family celebrating paying off their mortgage.

Habitat and Thrivent Faith Builds bring together local Christian churches to raise walls, funds and prayers to build homes alongside the future homeowner. Over four homes in the Pasadena Freedom Place 19-lot subdivision have been built through the Habitat and Thrivent Faith Build partnership.

Click [here](#) to find out how you can help families open the door to a new life through both construction and non-construction volunteer activities.

2019 Giving Tuesday Results

Giving Tuesday 2019 was a Texas-sized success! We’re still blown away by the generosity of so many that contributed on Giving Tuesday – one of the biggest, boldest days for fundraising. We realized how great an impact we can make for organizations and causes we care about as a Region!

Thrivent members and friends came together to participate online and at select event locations in Texas. We partnered with two non-profit organizations that are a part of our Thrivent Member Network – Texas Region: Briarwood Leadership Center and Camp Lone Star. In total, \$43,408 was raised online and in person, and Thrivent matched \$1 for every \$2 raised. A grand total of \$65,113 in total impact was made on one single day.

We’re looking forward to an even greater impact this year; stay tuned for Giving Tuesday 2020 details.
