Before You Buy Life Insurance

Understand What Life Insurance Is

Life insurance pays a death benefit if you die while the policy is in effect, in exchange for premiums you pay before your death. You can use the death benefit to protect against financial hardships such as loss of your income, funeral expenses, medical or nursing care expenses, debt repayments, and child care costs after your death. You can get information from the NAIC InsureU Life Insurance website -- www.insureuonline.org/insureu_type_life.htm

If You Need Life Insurance, Decide How Much Coverage to Buy

How much life insurance to buy depends on the financial needs that will continue after your death. Examples include supporting your family, paying for child(ren)'s education, and paying off a mortgage. Some questions you may want to ask about your own needs include:

- Does anyone depend on me financially?
- How much of the family income do I provide?
- How will my family pay my final expenses and repay debts after my death?
- Do I want to leave money to charity or family?
- If I have life insurance through my employer, is it enough to meet my financial obligations?

The answers to these questions can help you decide how much coverage you need. An insurance agent, financial advisor, or insurance company representative can help you evaluate your insurance needs and give you information about available policies.

If You Already Have Life Insurance, Assess Your Current Life Insurance Policy

It's important to compare your current policy with any new policy you might buy. Keep in mind that you may be able to change your current policy to get benefits you want. Also, know that any changes in your health may impact your ability to get a new policy or the premium you'll pay. Don't cancel your current policy until you get the new one.

Also, while you may have free or low-cost life insurance through your employer, the death benefit usually is less than you need. And if you leave the employer, you may not be able to take this coverage with you.

Compare the Different Types of Insurance Policies

There are many types of life insurance policies. You should choose a policy with features that fit your individual needs. Some things to consider are:

- ***Term Insurance vs. Cash Value Insurance.*** Term insurance is intended to provide lower-cost coverage for a specific period of time (“a term”). If you want coverage for a longer period of time, such as for your lifetime, cash value insurance may be more cost effective. Most term policies don’t build cash values that you can use in the future.
- ***Renewable Term vs. Non-renewable Term.*** Most term life insurance coverage can be continued (“renewed”) at the end of the term, even if your health has changed. If you renew a term policy, the new premiums are higher. Ask what the premiums will be before you renew the policy. Also ask if you’ll lose the right to renew the policy at a certain age. A Non-renewable term policy can’t be continued. You’ll have to apply for a new policy if you still want coverage.
- ***Whole Life vs. Universal Life.*** Whole life and universal life insurance are two types of cash value insurance. A key difference between the two is how you pay for the coverage. You typically pay premiums for whole life insurance according to a set schedule. In a universal life policy, you can choose a flexible premium payment pattern as long as you pay enough to keep your policy in force.
- ***Variable Life vs. Non-variable Life.*** The investments you will choose (such as stock and bond funds) in a variable life policy directly impact your cash value. These policies have the greatest potential to build cash value but also the greatest risk of losing cash value. Non-variable life policies often have guaranteed minimums for some features (interest or cash value, for example) but not all. Non-variable life policies also have less potential to build cash value than variable life policies.

Be Sure You Can Afford the Premium

Before you buy a life insurance policy, be sure you can pay the premiums. Can you afford the initial premium? If the premium increases later, will you still be able to afford it? The premiums for many life insurance policies are sensitive to changes in the company's investment earnings, claims costs, and other expenses. If those are worse than expected, you may have to pay a much higher premium. Ask what might be the highest premium you'd have to pay to keep your coverage.

Understand the Application Process

You can apply for life insurance through life insurance agents, the mail, and online. In addition to basic information, such as your name, address, employer, job title, and date of birth, you'll be asked for more personal information. Depending on the type of policy, the insurer may require you to see a doctor, answer health-related questions, or have a medical professional come to your home or office to assess your health. Usually a policy that doesn't require detailed health information will cost more and provide less coverage than one that does.

It's important to tell the truth on the application. The insurance company will check your answers so review the application before you sign. If the insurance company discovers false statements on your application after it issues your policy, it could reduce or cancel your coverage.

Choose a Beneficiary

A beneficiary is the person(s) or organization(s) you name to receive your life insurance policy's death benefit. You'll need to know the Social Security or tax identification number for all beneficiaries. Experts advise you not to name a minor child as a beneficiary. Insurance companies won't pay a minor. Instead, consider leaving the money to your estate or trust.

Evaluate the Future of Your Policy

Does your policy have a cash value? In some cash value policies, the values are low in the early years but build later on. In other policies the values build up gradually over the years. Most term policies have no cash value. Ask your insurance agent, financial advisor, or an insurance company representative for an illustration showing future values and benefits.

After You Buy Life Insurance

Read Your Policy Carefully

After you carefully read your policy, you should be able to answer the following important questions:

- Is your personal information correct?
- Do premiums or policy values vary from year to year?
- What part of the premium or policy value isn't guaranteed?
- How will the timing of money paid and received affect any interest the policy might earn?

Your insurance agent, financial advisor, or an insurance company representative can help you understand anything that isn't clear.

If you're not satisfied with your new policy, you can return it for a full refund within a certain period, usually 10 days after you receive it. The review period usually is stated on the first page of the policy.

Review Your Life Insurance Program Every Few Years

Review your policy with your insurance agent, financial advisor, or an insurance company representative every few years to keep up with changes in your policy and your needs.

- Have the premiums or benefits changed since your policy was issued?
- Do the death benefits still meet your needs?
- Do you need more or less coverage after life events, such as birth, adoption, marriage, job change, death, or divorce?

The insurance company can provide policy statements and illustrations to help with this review. As the policy owner, you can change beneficiaries at no cost. Be sure to review your beneficiaries every few years, especially after major life events that affect your life insurance needs.

IMPORTANT THINGS TO CONSIDER

1. Review your own insurance needs and circumstances. Choose the kind of policy that has benefits that most closely fit your needs. Ask an agent or company to help you.
2. Be sure that you can handle premium payments. Can you afford the initial premium? If the premium increases later and you still need insurance, can you still afford it?
3. Don't sign an insurance application until you review it carefully to be sure all the answers are complete and accurate.
4. Don't buy life insurance unless you intend to stick with your plan. It may be very costly if you quit during the early years of the policy.
5. Don't drop one policy and buy another without a thorough study of the new policy and the one you have now. Replacing your insurance **may be costly**.
6. Read your policy carefully. Ask your agent or company about anything that is not clear to you.
7. Review your life insurance program with your agent or company every few years to keep up with changes in your income and your needs.

BUYING LIFE INSURANCE

When you buy life insurance, you want coverage that fits your needs.

First, decide how much you need--and for how long--and what you can afford to pay. Keep in mind the major reason you buy life insurance is to cover the financial effects of unexpected or untimely death. Life insurance can also be one of many ways you plan for the future.

Next, learn what kinds of policies will meet your needs and pick the one that best suits you.

Then, choose the combination of policy premium and benefits that emphasizes protection in case of early death, or benefits in case of long life, or a combination of both.

It makes good sense to ask a life insurance agent or company to help you. An agent can help you review your insurance needs and give you information about the available policies. If one kind of policy doesn't seem to fit your needs, ask about others.

This guide provides only basic information. You can get more facts from a life insurance agent or company or from your public library.

WHAT ABOUT THE POLICY YOU HAVE NOW?

If you are thinking about dropping a life insurance policy, here are some things you should consider:

- If you decide to replace your policy, don't cancel your old policy until you have received the new one. You then have a minimum period to review your new policy and decide if it is what you wanted.

- It may be costly to replace a policy. Much of what you paid in the early years of the policy you have now, paid for the company's cost of selling and issuing the policy. You may pay this type of cost again if you buy a new policy.

- Ask your tax advisor if dropping your policy could affect your income taxes.

- If you are older or your health has changed, premiums for the new policy will often be higher. You will not be able to buy a new policy if you are not insurable.
- You may have valuable rights and benefits in the policy you now have that are not in the new one.
- If the policy you have now no longer meets your needs, you may not have to replace it. You might be able to change your policy or add to it to get the coverage or benefits you now want.

- At least in the beginning, a policy may pay no benefits for some causes of death covered in the policy you have now.

In all cases, if you are thinking of buying a new policy, check with the agent or company that issued you the one you have now. When you bought your old policy, you may have seen an illustration of the benefits of your policy. Before replacing your policy, ask your agent or company for an updated illustration. Check to see how the policy has performed and what you might expect in the future, based on the amounts the company is paying now.

HOW MUCH DO YOU NEED?

Here are some questions to ask yourself:

- How much of the family income do I provide? If I were to die early, how would my survivors, especially my children, get by? Does anyone else depend on me financially, such as a parent, grandparent, brother or sister?
- Do I have children for whom I'd like to set aside money to finish their education in the event of my death?
- How will my family pay final expenses and repay debts after my death?
- Do I have family members or organizations to whom I would like to leave money?

- Will there be estate taxes to pay after my death?
- How will inflation affect future needs?

As you figure out what you have to meet these needs, count the life insurance you have now, including any group insurance where you work or veteran's insurance. Don't forget Social Security and pension plan survivor's benefits. Add other assets you have: savings, investments, real estate and personal property. Which assets would your family sell or cash in to pay expenses after your death?

WHAT IS THE RIGHT KIND OF LIFE INSURANCE?

All policies are not the same. Some give coverage for your lifetime and others cover you for a specific number of years. Some build up cash values and others do not. Some policies combine different kinds of insurance, and others let you change from one kind of insurance to another. Some policies may offer other benefits while you are still living. Your choice should be based on your needs and what you can afford.

There are two basic types of life insurance: **term insurance** and **cash value insurance**. Term insurance generally has lower premiums in the early years, but does not build up cash values that you can use in the future. You may combine cash value life insurance with term insurance for the period of your greatest need for life insurance to replace income.

Term Insurance covers you for a term of one or more years. It pays a death benefit only if you die in that term. Term insurance generally offers the largest insurance protection for your premium dollar. It generally does not build up cash value.

You can renew most term insurance policies for one or more terms even if your health has changed. Each time you renew the policy for a new term, premiums may be higher. Ask what the premiums will be if you continue to renew the policy. Also ask if you will lose the right to renew the policy at some age. For a higher premium, some companies will give you the right to keep the policy in force for a guaranteed period at the same price each year. At the end of that time you may need to pass a physical examination to continue coverage, and premiums may increase.

You may be able to trade many term insurance policies for a cash value policy during a conversion period--even if you are not in good health. Premiums for the new policy will be higher than you have been paying for the term insurance.

Cash Value Life Insurance is a type of insurance where the premiums charged are higher at the beginning than they would be for the same amount of term insurance. The part of the premium that is not used for the cost of insurance is invested by the company and builds up a cash value that may be used in a variety of ways. You may borrow against a policy's cash value by taking a policy loan. If you don't pay back the loan and the interest on it, the amount you owe will be subtracted from the benefits when you die, or from the cash value if you stop paying premiums and take out the remaining cash value. You can also use your cash value to keep insurance protection for a limited time or to buy a reduced amount without having to pay more premiums. You also can use the cash value to increase your income in retirement or to help pay for needs such as a child's tuition without canceling the policy. However, to build up this cash value, you must pay higher premiums in the earlier years of the policy. Cash value life insurance may be one of several types; whole life, universal life and variable life are all types of cash value insurance.

Whole Life Insurance covers you for as long as you live if your premiums are paid. You generally pay the same amount in premiums for as long as you live. When you first take out the policy, premiums can be several times higher than you would pay initially for the same amount of term insurance. But they are smaller than the premiums you would eventually pay if you were to keep renewing a term policy until your later years.

Some whole life policies let you pay premiums for a shorter period such as 20 years, or until age 65. Premiums for these policies are higher since the premium payments are made during a shorter period.

Universal Life Insurance is a kind of flexible policy that lets you vary your premium payments. You can also adjust the face amount of your coverage. Increases may require proof that you qualify for the new death benefit. The premiums you pay (less expense charges) go into a policy account that earns interest. Charges are deducted from the account. If your yearly premium payments plus the interest your account earns is less than the charges, your account value will become lower. If it keeps dropping, eventually your coverage will end. To prevent that, you will need to start making premium payments, or increase your premium payments, or lower your death benefits. Even if there is enough in your account to pay the premiums, continuing to pay premiums yourself means that you build up more cash value.

Variable Life Insurance is a kind of insurance where the death benefits and cash values depend on the investment performance of one or more separate accounts, which may be invested in mutual funds or other investments allowed under the policy. Be sure to get the prospectus from the company when buying this kind of policy and **STUDY IT CAREFULLY**. You will have higher death benefits and cash value if the underlying investments do well. Your benefits and cash value will be lower or may disappear if the investments you chose didn't do as well as you expected. You may pay an extra premium for a guaranteed death benefit.

LIFE INSURANCE ILLUSTRATIONS

You may be thinking of buying a policy where cash values, death benefits, dividends or premiums may vary based on events or situations the company does not guarantee (such as interest rates). If so, you may get an illustration from the agent or company that helps explain how the policy works. The illustration will show how the benefits that are not guaranteed will change as interest rates and other factors change. The illustration will show you what the

company guarantees. It will also show you what *could* happen in the future. Remember that nobody knows what will happen in the future. You should be ready to adjust your financial plans if the cash value doesn't increase as quickly as shown in the illustration. You will be asked to sign a statement that says you understand that some of the numbers in the illustration are not guaranteed.

FINDING A GOOD VALUE IN LIFE INSURANCE

After you have decided which kind of life insurance is best for you, compare similar policies from different companies to find which one is likely to give you the best value for your money. A simple comparison of the premiums is not enough. There are other things to consider. For example:

- Do premiums or benefits vary from year to year?
- How much do the benefits build up in the policy?
- What part of the premiums or benefits is not guaranteed?
- What is the effect of interest on money paid and received at different times on the policy?

Once you have decided which type of policy to buy, you can use a cost comparison index to help you compare similar policies. Life insurance agents or companies can give you information about several different kinds of indexes that each work a little differently. One type helps you compare the costs between two policies if you give up the policy and take out the cash value. Another helps you compare your costs if you don't give up your policy before its coverage ends. Some help you decide what kind of questions to ask the agent about the numbers used in an illustration. Each index is useful in some ways, but they all have shortcomings. Ask your agent which will be most helpful to you. Regardless of which

index you use, compare index numbers only for similar policies--those that offer basically the same benefits, with premiums payable for the same length of time.

Remember that no one company offers the lowest cost at all ages for all kinds and amounts of insurance. You should also consider other factors.

- How quickly does the cash value grow? Some policies have low cash values in the early years that build quickly later on. Other policies have a more level cash value build-up. A year-by-year display of values and benefits can be very helpful. (The agent or company will give you a policy summary or an illustration that will show benefits and premiums for selected years.)
- Are there special policy features that particularly suit your needs?
- How are nonguaranteed values calculated? For example, interest rates are important in determining policy returns. In some companies increases reflect the average interest earnings on all of that company's policies regardless of when issued. In others, the return for policies issued in a recent year, or a group of years, reflects the interest earnings on that group of policies; in this case, amounts paid are likely to change more rapidly when interest rates change.

Important Notice: Replacement of Life Insurance or Annuities

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy, to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

Yes No

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract?
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract?

If you answered "Yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the contract number if available) and whether each policy will be replaced or used as a source of financing:

Insurer name	Contract or policy number	Replaced (R) or financing (F)
--------------	---------------------------	-------------------------------

Insured/Annuitant

Insurer name	Contract or policy number	Replaced (R) or financing (F)
--------------	---------------------------	-------------------------------

Insured/Annuitant

Insurer name	Contract or policy number	Replaced (R) or financing (F)
--------------	---------------------------	-------------------------------

Insured/Annuitant

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. (If you request one, an in-force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer.) Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because:

I certify that the responses herein are, to the best of my knowledge, accurate:

Name of applicant (print title, first, middle, last name and suffix, as applicable)

Signature of additional applicant and date signed (mm/dd/yyyy)

Signature of producer and date signed (mm/dd/yyyy)

Name of producer (print title, first, middle, last name and suffix, as applicable)

I do not want this notice read aloud to me. (Applicants must initial only if they do not want the notice read aloud.)

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense.

Premiums:

- Are they affordable?
- Could they change?
- You're older - are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

Policy values:

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

Insurability:

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

If you are keeping the old policy as well as the new policy:

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

If you are surrendering an annuity or interest sensitive life product:

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

Other issues to consider for all transactions:

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

Notice and Consent for AIDS Virus (HIV) Testing

To evaluate your eligibility for insurance or insurance benefits, Thrivent may request that you provide a sample of your blood and/or other body fluid for testing and analysis for the AIDS virus (HIV). By signing and dating this form, you agree that this test may be performed and that underwriting decisions will be based on the test results.

Disclosure Of Test Results

All test results will be treated confidentially. The results of the test will be reported to the insurer identified on this form. Results of the tests will not otherwise be disclosed except as allowed by law or as stated below.

Meaning Of Test Results

While positive HIV antibody test results do not mean that you have AIDS, they do mean that you may be at increased risk of developing AIDS or AIDS-related conditions. The test is a test for antibodies of the HIV virus, the causative agent for AIDS, and shows whether you have been exposed to the virus.

Positive HIV antibody test results could adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

Use Of Test Results

Results of this test may be used to underwrite all applications, whether or not all applications require the test.

Release Of Results

The results of this test may be released to the following:

1. the proposed insured;
2. the person legally authorized to consent to the test;
3. a licensed physician, medical practitioner, or other person designated by the proposed insured;
4. an insurance medical information exchange under procedures that are designed to assure confidentiality, including the use of general codes that also cover results of tests for other diseases or conditions not related to AIDS, or for the preparation of statistical reports that do not disclose the identity of any particular proposed insured.
5. a reinsurer, if the reinsurer is involved in the underwriting process, under procedures that are designed to assure confidentiality;
6. persons who have the responsibility to make underwriting decisions on behalf of the insurer; or
7. insurer's legal counsel who needs such information to effectively represent the insurer in regard to matters concerning the proposed insured.

The insurer may contact you for the name of a physician or other health care provider to whom you may authorize disclosure and with whom you may want to discuss the results.

Consent

I have read and I understand this Notice and Consent Form. I voluntarily consent to testing and disclosure as described above. I understand that I have the right to request and receive a copy of this form. A photocopy of this form will be as valid as the original.

Disclosures

Surrender Type

Taxable Amount - The distribution may result in reporting taxable amount as ordinary income.

Penalty Tax - If this contract is a Modified Endowment Contract, an IRS penalty tax may apply to the taxable portion of my distribution if I am under age 59 1/2.

Surrender/decease charges may apply.

Any distribution request or dividend/surplus refund option change processed will invalidate any previous sales illustrations. Contact your representative for an illustration that shows the effects of this request on your death benefit and cash value.

If the distribution amount requested is more than the amount available and an internal product to product transfer is not involved, the distribution will be processed for the maximum amount available without terminating the contract. Does not apply to complete surrenders/entire values.

I understand that any taxable gain resulting from this distribution cannot be reversed once the distribution is processed. Such taxable gain will be subject to federal and state income tax withholding unless the Notification for Federal and State Income Tax Withholding is completed. I also understand the distribution I am requesting cannot be reversed once it is processed.

Loan Requests

I understand that:

- The contract is security for any contract loan.
- A contract loan bears interest from the date of disbursement at the rate provided for in said contract, or at the rate of 6 percent if no rate is provided. Interest is payable annually and if not paid will be added to the loan and bear interest at the same rate. If the interest rate is adjustable, contact the Thrivent Customer Interaction Center at 800-847-4836 to obtain the current rate being charged.
- Refer to your prospectus for information on how Variable Universal Life loans affect the subaccounts or fixed account, if available.
- A loan may result in the termination of the Death Benefit Guarantee, Lapse Protection Balance or No Lapse Guarantee, as applicable.

Full Surrender

I understand that:

- All insurance coverage provided by this contract and the rights of the beneficiaries under this contract cease.

Partial Surrender

I understand that:

- The partial surrender will reduce the cash value of the contract so there may be insufficient amounts to pay the monthly deductions and increased risk of lapse of the coverage.
- It may become necessary that additional premiums be paid in order to provide adequate cash value for future monthly deductions.
- The partial surrender may result in the reduction of the specified face amount by the amount of cash value withdrawn which could reduce the payable death benefit.
- As a result of the partial surrender, in addition to the risk of current tax liabilities, there is also an increased risk of future tax liabilities associated with the contract.
- Minimum surrender amounts may apply.
- A partial surrender may result in the termination of the Death Benefit Guarantee, Lapse Protection Balance or No Lapse Guarantee, as applicable.

Delivery of Payment

Direct Deposit - I authorize Thrivent to make this electronic deposit and, if necessary, corrections to my financial institution account. My authorization is valid for electronic deposits and corrections that comply with U.S. law. U.S. law grants me certain rights when I request an electronic deposit. These laws also regulate how electronic deposits and corrects are made to my financial institution account. This authorization shall remain in full force and effect until I revoke it by giving 10 days prior notice to Thrivent.

Checks - For contracts with multiple owners, disbursement checks may be made payable to only the primary owner. If only the primary owner's name appears as the payee on a disbursement check from a contract with multiple owners, it is the responsibility of the primary owner to obtain signatures of the other owners prior to cashing the check. If the disbursement results in taxable income, the tax information will be reported to all owners.

For internal product-to-product transfers only - Unless otherwise indicated herein, I intend the requested transfer(s) from the distributing contract(s) to become effective only if and when:

- Thrivent (including its subsidiaries and affiliates) has approved the first application of the amount(s) requested to the receiving contract(s), as described above, or, if not, as I subsequently agree to accept; and
- with respect to any receiving contract(s) that I have applied for, as described above, Thrivent (including its subsidiaries and affiliates) has approved the issuance of the receiving contract(s), as applied for or, if not, as I subsequently agree to accept.

Withholding and Charges

You are liable for federal and state income tax, where applicable, on the taxable portion of your distribution even if you elect no withholding. Except where prohibited by federal and/or state law, you can elect: 1) no withholding; 2) withholding at the minimum federal and state rates; or 3) withholding at a rate higher than the minimum rates. You may be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate. Check with your tax advisor to determine if withholding is necessary.

Residents of Connecticut - submit the Form CT-W4P to indicate your withholding election with this form. If you do not submit Form CT-W4P with this form, Thrivent will use your most recently-submitted CT-W4P, if one is on file. If you do not submit Form CT-W4P with this form and you have not previously submitted Form CT-W4P, the maximum rate will be withheld.

Dividend/Surplus Refund Option Change

This option will be effective on the next contract anniversary date. Refer to your contract for information about the availability of options. Dividend/surplus refunds are not guaranteed.

If you select Reduce Loan and your contract does not allow for this dividend option, then you are authorizing Thrivent to set your dividend option to Cash and to apply that cash dividend as a loan repayment to this contract.

Validation

For your protection, validation of your identity is requested for certain variable and non-variable contract transactions. Surrender/disbursement transactions:

- a. Greater than \$499,999 will require a Medallion Signature Guarantee for variable contract transactions and a Notary Public for non-variable contract transactions.
- b. Greater than \$99,999 and up to \$499,999 will require one of the following forms of validation:
 - Attestation by a Thrivent representative
 - A Notary Public
 - A Medallion Signature Guarantee (not available for fixed contracts)
- c. Greater than \$10,000, less than \$99,999, and the address of record changed within the prior 15 days will require a Notary Public or attestation by a Thrivent representative.
- d. Greater than \$10,000, less than \$99,999, and the bank information provided has been on record for less than 15 days will require a voided check from the bank account, a Notary Public, or attestation by a Thrivent representative.
- e. Requesting special distribution instructions will also require one of the three forms of validation listed in (b) above. Examples include: Request to send proceeds to an address other than the one listed on your contract and/or request to make proceeds payable to someone other than the current owner.
A Notary Public or Medallion Signature Guarantee may generally be obtained at any national bank.

Accelerated Death Benefit for Terminal Illness Disclosure Statement

Name of insured (print title, first, middle, last name and suffix, as applicable)

The Accelerated Death Benefit for Terminal Illness Rider allows you to receive benefits of your life insurance contract that would otherwise be payable upon the death of the Insured. IF WE PAY YOU AN ACCELERATED BENEFIT, THE AMOUNT OF INSURANCE AND THE CASH/ACCUMULATED VALUE OF THE CONTRACT WILL BE REDUCED OR ELIMINATED.

RECEIPT OF ACCELERATED DEATH BENEFITS MAY AFFECT ELIGIBILITY FOR MEDICAID OR OTHER PUBLIC ASSISTANCE PROGRAMS AND MAY, IN LIMITED SITUATIONS, BE TAXABLE. PRIOR TO APPLYING FOR BENEFITS, YOU SHOULD CONSULT A QUALIFIED TAX ADVISOR.

Accelerated Benefits are available if the Insured has an illness or physical condition that can reasonably be expected to result in death in 24 months or less.

We will determine the amount available as an Accelerated Benefit. You may elect to receive all or part of the available amount as an Accelerated Benefit. If you elect to receive the entire amount, the contract will terminate. If you elect to receive only a portion of the available amount as an Accelerated Benefit, the contract will remain in force. THE AMOUNT OF INSURANCE, LOAN AMOUNT AND CASH/ACCUMULATED VALUE OF THE CONTRACT WILL BE REDUCED BY THE SAME PERCENTAGE AS THE PERCENTAGE OF THE AVAILABLE AMOUNT THAT YOU ELECT TO RECEIVE AS AN ACCELERATED BENEFIT. THE NEW PREMIUM OR COST OF INSURANCE WILL BE DETERMINED BASED ON THE REDUCED AMOUNT OF INSURANCE. Insurance not included in the determination of the available amount is not affected.

If a rider on the contract provides life insurance on a person who is not the Insured under the contract, the insurance under the rider may be used to provide an Accelerated Benefit on that person subject to the same provisions and conditions as for the Insured.

There is no additional premium charged for this rider. However, we will charge an administrative fee if you elect to receive an Accelerated Benefit. The fee of \$150 will be deducted to determine the Accelerated Benefit payable.

If you elect to receive an Accelerated Benefit, we will give you a notice showing the amount of the benefit and the effect that payment of the Accelerated Benefit will have on the contract's death benefit, loan amount, cash/accumulated value and premium.

THIS RIDER WILL TERMINATE UPON TERMINATION OR MATURITY OF THE CONTRACT.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .

• Individual • Sole proprietorship, or • Single-member limited liability company (LLC) owned by an individual and disregarded for U.S. federal tax purposes.	Individual/sole proprietor or single-member LLC

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A *disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.*

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.

You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

Understanding the Underwriting Process

Life and Disability Income Insurance

Thank you for submitting your application to Thrivent. Now that you've submitted your application it goes through underwriting. Underwriting is the process of collecting and assessing an individual's information to determine whether they qualify for coverage, and if so, what premium they will need to pay for that coverage. We strive to make the underwriting process as easy as possible for you.

Depending on your age, and the type and amount of coverage you're applying for, you may be asked to complete one or more of the following.

Type of Information Collected	Estimated Time
Oral fluid specimen You administer this test yourself by placing the collection device (a cotton fiber pad affixed to a nylon stick) in your mouth between your lower gum and cheek. The sample will be sent to a laboratory designated by Thrivent.	Less than 5 minutes
Tele Interview A trained professional will contact you by telephone to ask you questions about your non-medical and medical history, such as avocations, illnesses, conditions, surgeries, examinations, tests, treatments and medications.	Approximately 20 - 30 minutes
Paramedical exam A paramedical professional will meet with you face to face to ask you questions about your non-medical and medical history, such as avocations, illnesses, conditions, surgeries, examinations, tests, treatments and medications. They will also take your blood pressure, pulse, height and weight.	Approximately 20 - 30 minutes
Blood and urine sample A paramedical professional will draw a blood sample and collect a urine sample. Only sterile, disposable needles and supplies are used. The sample will be sent to a laboratory designated by Thrivent.	Approximately 10 minutes
Electrocardiogram (ECG) A paramedical professional will place electrodes on your chest, arms, and legs while you are lying flat. This test shows the electrical activity of your heart.	Approximately 15 minutes
Senior exam Additional questions and activities conducted during the paramedical exam to assess mobility and memory.	Approximately 15 - 20 minutes

If an exam, blood and urine sample, ECG, and/or senior exam are needed, an examiner will contact you to schedule an appointment to come to your home or other location of your choice, to complete the services.

Tips to help your examination go smoothly:

- Have a government issued picture ID (preferably a driver's license) available.
- Have a list of the medications you are taking.
- Have a list of the names, addresses, and phone numbers of the medical care providers you have visited in the last 10 years.
- Wear a garment that is short-sleeved or has sleeves that can easily be rolled up.
- Be well hydrated. If a urine sample is required, you may want to drink a glass of water about an hour before your exam so you can easily provide a urine sample. Thrivent does not require you to fast for the blood and urine sample collection.
- Avoid smoking, caffeine, and strenuous activity/exercise for about two hours prior to your exam. Try to relax the hour before your exam.

Thrivent may also request your medical records, a motor vehicle report, an electronic inspection report (contains information such as verification of your identity, verification of your telephone number and address, vehicle registration, bankruptcy search, tax liens and judgements, criminal activity), your prescription medication history, or other information we deem appropriate. We also may call you to gather additional information or ask for clarifications of information. You may be asked to complete additional medical exams, provide details about your financial situation, and/or supply additional information deemed necessary to complete your application. This list is not comprehensive.

Typically underwriting is completed within two to three weeks, but it may take longer, depending on the complexity of your needs or the underwriter's need for additional information. You can help shorten the time by responding to requests for examinations and information as quickly as able.

After the underwriter receives all of the information they will make a decision regarding your insurability. One of the following things may happen:

- Your coverage may cost the same as what was shown to you by your representative(s).
- Your coverage may cost less than what was shown to you by your representative(s).
- Your coverage may cost more or be modified from what was shown to you by your representative(s). Your representative(s) may contact you to discuss the decision and any alternate options available to fill your needs. You will receive a letter with your contract providing details for the decision.
- Your coverage may be denied. You will receive a letter from Thrivent providing the reason(s) for the denial.

If you are approved for coverage, you will receive a copy of your contract from your representative(s) or it will be sent directly to you from Thrivent. Please review the contract carefully. If there are any inaccuracies or incomplete information, contact your representative(s) immediately. If there are any amendments to your contract, you will receive two copies of the amendment. You need to sign both copies. Place one in your contract and return the other to Thrivent.

Thank you for considering Thrivent for your insurance needs.

Thrivent Financial for Lutherans is a fraternal benefit society. All beneficiaries must be eligible as required in the Society's bylaws.

The contract will control if any Beneficiary Provision(s) conflict.

Neither Thrivent nor its affiliates or representatives provide legal or tax advice. Where appropriate, you should consult with an attorney or tax advisor for advice.

Beneficiary Shares

CLASS: Examples of CLASSES of beneficiaries are primary, contingent, second contingent or First Beneficiary, Second Beneficiary, Contingent Beneficiary. Your contract may use different terminology which has the same meaning.

Beneficial Shares: Death proceeds will be paid in equal shares to all beneficiaries of the same CLASS who survive the insured. Instead of equal shares, specific dollar or percentages are permitted with approval.

• **Specific Dollar Amount:**

- Specified dollar amounts shall be deducted first from death proceeds. Remaining proceeds shall be paid to other beneficiaries of the same CLASS in equal shares unless a different percentage is designated.
- If proceeds are insufficient to pay all specified amount designations in a CLASS, amounts paid will be in pro rata shares.

- **Percentages:** If a beneficiary predeceases the insured(s), shares will be split pro rata between the remaining beneficiaries of the same CLASS. If beneficiaries of the same CLASS are named to share in a percentage, for example, 25% to John and Jane Doe, the percentage will be paid to the survivor(s) before death proceeds are paid to the CLASS.

Proceeds will be paid to the next CLASS of beneficiaries if all beneficiaries of the same CLASS predecease the insured(s). If no beneficiary in any CLASS survives the insured, proceeds shall be paid to the owner or owner's estate as required by your contract.

Spousal Consent

You should consider whether to obtain your spouse's or ex-spouse's (herein "SPOUSE's") signature if you are or ever have been married.

Your SPOUSE's signature may be required in circumstances such as the following:

- You live or have lived in a community property state;
- You have a divorce decree which ordered you to maintain life insurance; or
- You have or ever had a marital property agreement.

It is your sole responsibility, and not that of Thrivent, to determine whether your SPOUSE's signature should be obtained.

If your SPOUSE's signature was required but not obtained:

- If your SPOUSE believes s/he has a claim to proceeds, Thrivent must receive notice of that claim no later than the date it pays the contract proceeds; or
- You agree to hold Thrivent harmless for accepting your beneficiary designation and payment of any proceeds without your SPOUSE's consent.

Trust Beneficiaries

Trust Owned Contracts: If a contract is owned by a trust, naming a beneficiary other than the trust may cause legal and/or tax issues. Naming a beneficiary other than the trust may prevent the payment of proceeds according to the objectives of the trust.

Trust Beneficiaries: Trust beneficiaries must qualify as eligible beneficiaries under the bylaws of Thrivent, if applicable, at the time a claim is paid. Proceeds cannot be paid to the trust if its beneficiaries are ineligible under the bylaws of Thrivent when a claim is submitted.

Miscellaneous Provisions

Charity as Beneficiary: Thrivent may have the contractual right to prohibit annuitization elected by a charity at time of claim.

Final Services Funding: Thrivent may accept designations to name an entity which will provide for reimbursement to a state recovery program for services or for final services. An example of a state recovery program is Medicaid Estate Recovery. Examples of final services include, but are not limited to, funeral, mortuary, cemetery, cremation, and funeral trust. Any state recovery program or final services entity is permitted to receive only those proceeds necessary to reimburse for services received by the insured or pay the insured's final expenses. Verification of final expenses or reimbursement is required prior to payment of any claim. The balance of any proceeds shall be paid according to the beneficiaries you name. If there are no named beneficiaries, then the balance of any proceeds shall be paid to the insured's estate.

Irrevocable Beneficiary: To designate a primary or contingent beneficiary as irrevocable, indicate "irrevocable" in the beneficiary designation. After an irrevocable beneficiary is named any changes to the contract can only be made with the consent of the irrevocable beneficiary. These changes include beneficiary changes, loans, withdrawals, contract surrender, dividend option changes, and long-term care claim payments for Care Forward contracts

Minor Beneficiaries

When Naming a Custodian: You may wish to direct payment of proceeds to minor beneficiaries by naming a custodian. You may designate: a custodian who will control property until it is transferred to the beneficiary. These designations will be administered under the Uniform Transfers to Minors Act (or similar law) of the state where the minor resides unless another state is designated.

When Not Naming a Custodian: If any proceeds are payable to a person under age 18 at the time of claim and you did not designate a custodian, you are deemed to elect to use the state where the minor resides on the date of the insured's death to administer the property under the Uniform Transfers to Minors Act (or similar state law). Thrivent may pay, as custodian, any adult family member with whom the client resides.

Simultaneous Death

A beneficiary will be treated as having predeceased the insured if: 1) that beneficiary dies at the same time as the insured; or 2) within 15 days of the insured.

This provision shall not apply if the proceeds have already been paid to the beneficiary.

Your contract may contain a 15 day survival provision. If your contract contains this provision, that provision will control.

Group Designations

Thrivent strongly encourages individuals to be named, as this can clarify your intent with regards to beneficiary designations.

Thrivent will only approve the following Group Designations: 1) children; 2) sons; 3) daughters; 4) brothers; 5) sisters; 6) half-brothers; 7) half-sisters; 8) grandchildren; 9) great-grandchildren; 10) granddaughters; and 11) grandsons.

Unless you specify otherwise, group designations shall only include naturally born or legally adopted members of that group. For example, step-children who you have not legally adopted will not be included in a group designation of Children.

Per Stirpes

Per Stirpes is a stipulation directing that proceeds pass to the children of a beneficiary if that beneficiary pre-deceases the insured. If none survive the insured, proceeds will pass according to the instructions outlined in the Beneficiary Shares provision.

This stipulation may be added to any group or individual with approval from Thrivent. All provisions outlined under Group Designations will also apply to a Per Stirpes stipulation.

Signature - A signature is only required for new business applications in the state of New York.

By signing this form, I certify that I have read and agree to all the provisions on this form.

Disclosures

Surrender Details

I fully acknowledge and understand that by distributing the amount requested from my contract/agreement, the following may result:

Upon complete surrender, I understand that all insurance coverage provided by this contract and the rights of all beneficiaries under this contract cease as of the date this form is properly signed.

Taxable Gain - The distributions may result in the reporting of taxable gains to me.

Penalty Tax - An IRS premature distribution penalty may apply to the taxable portion of the surrender if I am under age 59 1/2 or if this is a SIMPLE IRA and I have participated for less than two years.

Surrender charges may apply.

A market value adjustment (MVA) may apply to distributions from a Fixed Period Allocation.

Surrenders removed from the Indexed Account will not receive any interest credited on the Interest Crediting Date.

Automatic Payout Option (APO) - Only available on Deferred Annuities and FPDAs. If we receive this form in good order after your selected start date, the start date shall be deemed the first business day (or Valuation Date for variable products) that occurs on or after the date of receipt. Subsequent transactions requested pursuant to this form shall be based upon your selected start date.

If 29-31 is chosen, the 28th will be used. If no date is entered, your distribution amount will be the 15th.

Allow 2-5 business days after date selected for funds to be available to you.

Interest only payment must be at least \$25.00. Not available for FPDA or Advisor/Flex.

Fixed - Amount - FPDA only - payment amounts under \$200 will require direct deposit or payment to another Thrivent product.

Fixed Percent - % of cash value to be distributed at the time of each surrender. i.e. .8% monthly = 9.6%, or approximately 10% annually. Not available for FPDA.

If the payment frequency is blank, illegible or invalid, you are deemed to have elected annual distribution. If annual distribution is elected, but the month is left blank, illegible or invalid, you are deemed to have elected December. If the date of the distribution is left blank, illegible or invalid, you are deemed to have elected the 15th and for distributions to begin when this date next occurs.

If funds are being removed from a specific subaccount, and the value of that subaccount drops below the requested distribution amount, the value in that subaccount will be depleted and the balance will be taken proportionately from the remaining subaccounts. Subsequent payouts will be removed proportionately from all the remaining subaccounts, unless otherwise instructed.

Impact of Withdrawal on Guaranteed Lifetime Withdrawal Benefit (GLWB) rider - I understand that if the GLWB rider is present and a withdrawal request results in a GLWB excess surrender as defined by the GLWB rider, all future GLWB guaranteed values will be reduced. The benefit base and survivor benefit, if any, will be reduced by at least the amount of the excess surrender or in the same proportion the Account Value is reduced. The Guaranteed Withdrawal Amount (GWA) for the next contract year will be reduced in the same proportion as the benefit base. The excess surrender will result in a permanent reduction in all future GWAs. If you would like to make an excess surrender and are uncertain how an excess surrender will reduce your future GWAs, then you may contact us prior to requesting the withdrawal to obtain a personalized, transaction-specific calculation showing the effect of the excess surrender.

For an annuity with the Long-Term Care (LTC) Insurance Rider - If the reason for your surrender request is due to the need to pay for LTC costs, make a claim from your LTC benefits instead of taking a partial surrender from your annuity.

Impact of Surrender or Partial Surrender on LTC Insurance Benefits - I understand that if the LTC Insurance Rider is present, a request to surrender, or a request for a partial surrender which results in the Accumulated Value being less than the required minimum, the LTC Insurance Rider will terminate and all LTC benefits will cease (although nonforfeiture benefits may be available). I understand that if the LTC Insurance Rider is present, a request for a partial surrender will result in a reduction of my available LTC Insurance benefits. Partial surrenders may be subject to income taxation.

I understand that the distribution and any taxable gain resulting from this distribution cannot be reversed once the distribution is processed. Such taxable gain will be subject to federal and state income tax withholding, unless the federal and state tax withholding election is completed.

Transactions are processed as of market close on the day the form is received in good order. If the withdrawal amount requested will cause the value of the contract to fall below the required minimum balance due to market fluctuation, the maximum amount available will be withdrawn.

Disclosure and Important Information Regarding Qualified Charitable Distributions (QCD)

- Use only when IRA owner is 70 1/2 or older.
- The IRS defines QCD as an otherwise taxable distribution from an IRA (other than an ongoing SEP or SIMPLE IRA) owned by an individual who has attained the required age that is paid directly from the IRA to a qualified charity.
- The charity must qualify as a 501(c)(3) organization and be eligible to receive tax-deductible contributions. Certain charities do not qualify; such as, sponsoring charities of donor-advised funds, private foundations and supporting organizations.
- Consult a tax professional to discuss this option as it is your responsibility to ensure the distribution made with this form complies with the IRS rules.
- Thrivent will report this distribution to the IRS on IRS Form 1099-R.

Specific Subaccount Surrender

Minimum requirements may apply. Allocations of percentages are subject to availability. If a specific subaccount or allocation period is chosen, and the percentage field is entered, the percentage requested will be based on the specific subaccount or allocation period value, not the entire contract value. If more than 3 subaccounts, use section 7 - Additional Information.

Delivery of Payment

Direct Deposit - I authorize Thrivent to make this electronic deposit and, if necessary, corrections to my bank account. I further authorize Thrivent to act upon future electronic deposit instructions I provide to my representative or directly to Thrivent. My authorization is valid for electronic deposits and corrections that comply with U.S. law. This authorization shall remain in full force and effect until I revoke it by giving 10 day prior notice to Thrivent.

Checks - For contracts with multiple owners, disbursement checks may be made payable to only the primary owner. If only the primary owner's name appears as the payee on a disbursement check from a contract with multiple owners, it is the responsibility of the primary owner to obtain signatures of the other owners prior to cashing the check. If the disbursement results in taxable income, the tax information will be reported to all owners.

For internal product-to-product transfers only - Only available for One-time Partial or Complete Surrenders. Unless otherwise indicated herein, I intend the requested transfer(s) from the distributing contract(s) to become effective only if and when:

- Thrivent (including its subsidiaries and affiliates) has approved the first application of the amount(s) requested to the receiving contract(s), as described above, or, if not, as I subsequently agree to accept; and
- with respect to any receiving contract(s) that I have applied for, as described above, Thrivent (including its subsidiaries and affiliates) has approved the issuance of the receiving contract(s), as applied for or, if not, as I subsequently agree to accept.

Withholding and Charges

Notification of Withholding and Surrender Charges (Not Applicable for FPDAs) - You are liable for federal and state income tax, where applicable, on the taxable portion of your distribution even if you elect no withholding. Except where prohibited by federal and/or state law, you can elect: 1) no withholding; 2) withholding at the minimum federal and state rates; or 3) withholding at a rate higher than the minimum rates. You may be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate. Check with your tax advisor to determine if withholding is necessary.

Federal Withholding - If withholding is indicated and the dollar amount or percentage is less than 10%, then 10% federal withholding will occur.

State Withholding - If withholding is indicated and the dollar amount or percentage is less than the state minimum, or if amount or percentage is not completed, we will withhold at your State's minimum rate.

Residents of Connecticut - submit the Form CT-W4P to indicate your withholding election with this form. If you do not submit Form CT-W4P with this form, Thrivent will use your most recently-submitted CT-W4P, if one is on file. If you do not submit Form CT-W4P with this form and you have not previously submitted Form CT-W4P, the maximum rate will be withheld.

You have the right to revoke or change your withholding election at least 10 days prior to the effective date of the distribution.

Mandatory Tax - Distributions from a 403(b) or qualified retirement plan that are eligible for rollover and are not directly rolled over are subject to mandatory 20% federal tax withholding. Refer to the 403(b) and Qualified Plan Distribution Disclosure (form 9972) for more information. If your distribution is subject to mandatory 20% federal tax withholding, your distribution may also be subject to mandatory state tax withholding.

Roth IRA Distributions - No tax withholding will be withheld from your Roth IRA.

Qualified Charitable Distribution - No tax withholding will be withheld from your qualified annuity.

Plan Trustee Certification

Notice to Qualified Plan Trustee(s) - Trustee(s) of Qualified Retirement Plans (such as Money Purchase Plans, Profit Sharing Plans, 401(k) Plans, Defined Benefit Plans, etc.) or 457(b) Plans must provide the Qualified Joint and Survivor Annuity Notice, when applicable, to plan participants. Your Thrivent representative will provide you with the required participant-specific benefit illustration to accompany the Qualified Joint and Survivor Annuity Notice. If a form of benefit other than the Qualified Joint and Survivor Annuity is elected, spousal consent must be obtained. Trustee(s) are also required to provide participants with a Distribution Disclosure Notice.

If you do not have the above referenced notices, Thrivent has generic notices for your use. These notices should be reviewed by your tax advisor to verify suitability for your plan. You are responsible for providing the applicable notices and obtaining any required signatures. Thrivent does not require a copy of these notices be sent to our office.

Generic Notices Available:

- Qualified Joint and Survivor Annuity Notice form
- Spousal Consent form
- 403(b) and Qualified Plan Distribution Disclosure form

Validation

For your protection, validation of your identity is requested for certain variable and non-variable contract transactions.

Surrender/disbursement transactions:

- a. Greater than \$499,999 will require a Medallion Signature Guarantee for variable contract transactions and a Notary Public for non-variable contract transactions.
- b. Greater than \$99,999 and up to \$499,999 will require one of the following forms of validation:
 - Attestation by a Thrivent representative
 - A Notary Public
 - A Medallion Signature Guarantee (not available for fixed contracts)
- c. Greater than \$10,000, less than \$99,999, and the address of record changed within the prior 15 days will require a Notary Public or attestation by a Thrivent representative.
- d. Greater than \$10,000, less than \$99,999, and the bank information provided has been on record for less than 15 days will require a Notary Public or attestation by a Thrivent representative.

Examples include: Request to send proceeds to an address other than the one listed on your contract and/or request to make proceeds payable to someone other than the current owner.
A Notary Public or Medallion Signature Guarantee may generally be obtained at any national bank.

Agreements and Signatures

403(b) or Tax Sheltered Annuity Distribution Acknowledgement - I acknowledge that if this distribution is an eligible rollover distribution from a 403(b) and is not a direct rollover to a qualified retirement plan or IRA, the taxable amount of the distribution will be subject to 20% income tax withholding. I also acknowledge that I have received and read the 403(b) and Qualified Plan Distribution Disclosure (form 9972). I acknowledge that I have the right to delay making a decision regarding the distribution from the above plan for at least 30 days after receiving the 403(b) and Qualified Plan Distribution form and have been given this opportunity. I hereby elect to waive my right to the 30 day waiting period and request Thrivent to make this distribution as soon as administratively possible. Due to the tax consequences, I have been advised to seek competent tax advice pertaining to this distribution.

Disclosures

Section 3 - Notification for Federal and State Income Tax Withholding

You are liable for state income tax, where applicable, on the taxable portion of your distribution even if you elect no withholding. Except where prohibited by state law, you can elect: 1) no withholding; 2) withholding at the minimum state rates; or 3) withholding at a rate higher than the minimum rates. You may be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate. You may change your withholding election for future distributions by contacting Thrivent. Check with your tax advisor to determine if withholding is necessary.

Mandatory Tax - Distributions from a 403(b) or qualified retirement plan that are eligible for rollover and are not directly rolled over are subject to mandatory 20% federal tax withholding. Refer to the 403(b) and Qualified Plan Distribution Disclosure (form 9972) for more information. If your distribution is subject to mandatory 20% federal tax withholding, your distribution may also be subject to mandatory state tax withholding.

Roth Distributions - No tax withholding will be withheld from your Roth IRA.

Additional Disclosures

I fully acknowledge and understand that:

Unless otherwise indicated herein, I intend the requested transfer(s) from the distributing contract(s) to become effective only if and when:

- Thrivent (including its subsidiaries and affiliates) has approved the first application of the amount(s) requested to the receiving contract(s), as described above, or, if not, as I subsequently agree to accept; and
 - With respect to any receiving contract(s) that I have applied for, as described above, Thrivent (including its subsidiaries and affiliates) has approved the issuance of the receiving contract(s), as applied for or, if not, as I subsequently agree to accept.
-

Impact of withdrawal - The withdrawal from my annuity or mutual fund will occur approximately 10 days before the payment due date.

The payments to the recipient contract are withdrawals from my annuity, mutual fund or settlement option/immediate annuity contract. The withdrawals will automatically increase or decrease based upon changes to the amount billed for the recipient contract and will reduce and possibly deplete the value of my annuity or mutual fund contract. Subject to availability.

The withdrawals may result in reporting taxable gain to me even though the withdrawals will be applied to another Thrivent contract. I also understand that any withdrawal and reporting of any taxable gain cannot be reversed. This taxable gain will be subject to federal and state income tax withholding unless I have completed Notification for Federal and State Income Tax Withholding. Each withdrawal amount will be increased by the applicable withholding.

Annuity

- For variable or Multi-Year Guarantee products, the withdrawal will be made proportionately from all subaccounts or allocation periods. Specific subaccounts or allocation periods cannot be selected for the distribution.
 - Fixed Indexed Annuity surrenders are withdrawn from the Fixed Account first and will only be taken from the Indexed Account when the accumulated value in the Fixed Account is not sufficient. Surrenders removed from the Indexed Account will not receive any interest credited on the Interest Crediting Date.
 - Withdrawal charges may apply.
 - A market value adjustment (MVA) may apply to distributions from a Fixed Period Allocation.
 - If I am under age 59 1/2, a 10% premature distribution tax penalty may apply.
-

Impact of withdrawal on Guaranteed Living Withdrawal Benefit (GLWB) rider - I understand that if the GLWB rider is present and a withdrawal request results in a GLWB Excess Surrender as defined by the GLWB rider contract, all GLWB guaranteed values will be reduced. The Benefit Base and Survivor Benefit, if any, will be reduced by at least the amount of the Excess Surrender or in the same proportion the Account Value is reduced. The Guaranteed Withdrawal Amount for the next contract year will be reduced in the same proportion as the Benefit Base.

Settlement Option/Immediate Annuity - Cancellation of other Thrivent products will not negate the settlement option/immediate annuity agreement.

Notice to Qualified Plan Trustee(s) - Trustee(s) of Qualified Retirement Plans (such as Money Purchase Plans, Profit Sharing Plans, 401(k) Plans, Defined Benefit Plans, etc.) or 457(b) Plans must provide the Qualified Joint and Survivor Annuity Notice, when applicable, to plan participants. Your Thrivent representative will provide you with the required participant-specific benefit illustration to accompany the Qualified Joint and Survivor Annuity Notice. If a form of benefit other than the Qualified Joint and Survivor Annuity is elected, spousal consent must be obtained. Trustee(s) are also required to provide participants with a Distribution Disclosure Notice.

If you do not have the above referenced notices, Thrivent has generic notices for your use. These notices should be reviewed by your tax advisor to verify suitability for your plan. You are responsible for providing the applicable notices and obtaining any required signatures. Thrivent does not require a copy of these notices be sent to our office.

Generic notices available:

- Qualified Joint and Survivor Annuity Notice (form 15081)
- Spousal Consent (form 9336)
- 403(b) and Qualified Plan Distribution Disclosure (form 9972)

403(b) or Tax Sheltered Annuity Distribution Acknowledgement - I acknowledge that if the distribution from the above plan is an eligible rollover distribution and is not a direct rollover to a qualified retirement plan or IRA, the taxable amount of the distribution will be subject to 20% income tax withholding. I also acknowledge that I have received and read the 403(b) and Qualified Plan Distribution Disclosure (form 9972). I acknowledge that I have the right to delay making a decision regarding the distribution from the above plan for at least 30 days after receiving the 403(b) and Qualified Plan Distribution form and have been given this opportunity. I hereby elect to waive my right to the 30 day waiting period and request Thrivent to make this distribution as soon as administratively possible.
